## WHAT PIZZA ARE YOU?

*you are a...*  
SUPREME PIZZA

You have so many different sides and are very complex, just like the various components that make up a supreme pizza!

*you are a...*  
CALIFORNIA PIZZA

We're guessing you might be a bit of a free spirit and perhaps even have a bit of a wild child in ya!

*you are a...*  
NEAPOLITAN PIZZA

There is something steady and classic about you. What you see is what you get!

*you are a...*  
CALZONE

So, technically, you're not a pizza, but maybe a first cousin to one. Strong, independent and unique, you stand out from the crowd!
