You will keep the same armor stats and skills under multi-layered armor, as this only affects the appearance. You can earn from the delivery questsMost layered armor unlocked by completing delivery quests from the resource center. You will need specific tickets, monster materials, and lots of research points. Can access through the item BoxYour layered armor available from your item Box, allowing for a quick and easy change in your appearance when you are in your base! Multi-layered armor Be changed to a piece In most cases, layered armor can be selected in the five parts of the armor you have on your hunter. This allows a unique way to express In the game. Special kits cannot be modified in parts kits such as Sakura and Alloy layered armor cannot be changed in part. Their faces also change to the appearance of multi-layered armor, so take note when using these sets. Differences from full armor SetsLayered ArmorFull Armor SetStatsNo ChangeChangeareDetered By Each PieceAll Pieces are FixedColor ChangePossibleThis possible status of layered armor depends on your original Gear Unlike full armor kits, layered armor uses stats uses statistics of the original equipment you've equipped!
