

Assistant Financial Controller

On behalf of our client, a leading regional player in the retail insurance sector, we are seeking to hire a motivated individual to join their finance team as an Assistant Financial Controller. This role will be responsible for providing support in meeting financial reporting, operational and project-based obligations and deadlines.

Duties & Responsibilities:

- Financial reporting and analysis, forecasts and projections, external and internal audits, regulatory requirements, process documentation, improvement and automation as well as implementation of new systems and IFRS17 reporting standards
- Assist with integration and streamlining of operations, creating efficiencies, and enhancing the effectiveness and accuracy of financial information while transitioning to IFRS17
- Review the work and provide training, supervision and development of the finance staff
- Project work and other duties within the company may be assigned from time to time and across the group of companies

Minimum Qualifications, Skills & Experience:

- Professional accounting designation (CA, CPA, ACCA, CMA, ACA), or a university degree in Finance
- 5 years' post-qualification experience including complex analysis and report preparation. Experience with insurance accounting, financial statements and operations
- Minimum of 10 years' experience in finance for an insurance company
- Knowledge and experience of process automation, Great Plains, IFRS17, and CIMA (Cayman Islands Monetary Authority) regulatory requirements would be an asset
- Efficient and able to work around multiple projects, deadlines, have the ability to prioritize work appropriately and are experienced working in a fast-paced environment with a high volume of transactions
- Strong working knowledge of Microsoft Office products, have excellent analytical, problem-solving, communication and organizational skills
- Able to work extended hours and travel on occasion

Salary: US\$135,000 per annum
