

Reservation

1. Kilobaser Reservation

We are pleased to reserve a Kilobaser device for you. By making your reservation, you secure the approximate priority for taking delivery of your Kilobaser device.

2. Effective Date

Your reservation becomes effective when you place your reservation and we receive your reservation payment (100€)

3. Order Process

While the reservation secures the approximate delivery priority, it does not constitute the purchase or order of a device. When the start of the production for your reservation nears, Briefcase Biotec will create an order and a purchase agreement for your device. If you proceed with the order, we will apply your reservation payment towards the order payment. Your reservation may be cancelled anytime before you enter into the purchase agreement, in which case you will receive a full refund of your reservation payment.

4. Acknowledgements

You understand that we will not hold your reservation payment separately or in an escrow or trust fund or pay any interest on your reservation payment.
