Not the book you're looking for? I've been dreaming all my life. Dreaming that the real world might be a little more like the countless sci-fi books, movies and video games he spent his life consuming. Dreaming that one day, some fantastic, world-changing event will ruin the monotony of its humdrum existence and whisk it off on some great space adventure. But hey, there's n... More posted on July 14, 2015 by [Crown Publishing](#) To see what your friends think of this book, please sign up. To ask other readers questions about Armada, please sign up. The popular answer to the questions Of Brandon RonkLast Starfighter and Ender Games was a child named Armada. That's very good. Brandon RonkBook a lot of good. It's very similar. Books 2015 Can't Wait for 2,185 books - 12,333 voters Can't Wait for Sci-Fi/Fantasy 2015 573 Books - 3,286 voters. Details of the No. Believe me when I say I was willing to love this book. The finished player one was so great! And it was about video games and alien invasions! I jumped into Armada ready to be caught by an awesome net... and instead fell flat on my face. On the concrete. And then a piano fell on me. The equation in its current form: Boring characters (I didn't care about anyone! I didn't feel like we had spent enough time with one character for me to take care of their fate, and So when something happened to someone I just shrug. moreAug 20, 2015Kemper rated it not liked- The Last Starfighter-Ender's Game-Fleeing from the Tyranny of Cylon, the latest Battlestar, The Galaxy, leads a ragtag, a runaway fleet on a lonely search for a brilliant planet known as Earth. - Proton packs-Twiki Buck Rogers- I'd buy that for a dollar! - Mrs. Pac-Man-Mix Tapes- Help Me, Obi-Wan Kenobi. You're my only hope. - Pitfall-Theory that you can travel through time during your life. Dr. Sam Beckett has entered the quantum quantum accelerator -- and disappeared. Throne-Where we goy. moreJul 02, 2015Emily May rated it was ok'd to say I'm pretty nerdy. I guess there is no established definition, but I have a comic book collection that occupies its own closet. I've played WoW obsessively in the past and I enjoy going to sci-fi conventions (kind of spoiler) and meeting people like Tyrion Lannister! (spoiler) I've been a Pokemon master for the first five generations and just didn't play sixth because I keep scolding myself with you too old! Every time I see it in the shops. This is my favorite T-shirt: This is my F.. moreTeenager zack Lightman is the 6th best Armada player in the world, a sci-fi shoot 'em where you pilot a ship blasting off alien invaders. And then he discovers the game was really designed to find the best pilots in the world and he was drafted into a real war against aliens! Computer games used to find skilled players - children, usually - fight aliens in intergalactic war? Yes, it has already been done in the Last Fighter and Ender's Game. It's actually a derivative of Ernest's character. moreSep 20, 2014Shelby train flying monkeys rated it not like shelves: boring as hell, dnf. from the publisher, read-2015, save the trees, young adult I would like to think I sort with it as an adult. I read books that my teens like. I'm running away from adult responsibilities. I love some pop culture stuff. I make fart jokes with my teenage son. I'm totally on board with cool stuff. Until I met this book. I absolutely and utterly hate him. I know I have to force myself to finish it since I got a copy like an arc. I'm not going to do that. You can't make me. I loved Ready Player one so much that this is one of my favorites that I've read this year. It's a. MoreJan 02, 2013Ashley rated it really liked shelves: addictive, nerd-lit, sci-fi, take me to your leader, treasure and adventure8/02/15: Ok, let's put it aside: If you're looking to recreate the special reading experience you have with Ready Player One to bring back the same magical sense of wonder and wonder, you'll be disappointed by this book. It's just, straight up. Armada is not RPO. They have similarities, but there are also many differences, and these differences will cause a lot of people not to like it very much. It's just facts. RPO, as far as I'm concerned, is one. moreJul 17, 2015Alejandro appreciated his love of his shelves: novel, science fiction, military, humor, espionage, alternative reality, video games, politicsI expected something more original. SACH'S GAMEI has been very excited to read Armada since I read a few months ago Ready Player One and I enjoyed a lot of that other book. So reading the next Ernest Kline was the obvious solution. I knew about the basic premise, and I really hoped to read something fresh and original with the same witty and humorous found on Ready Player One, but while I can't deny that Armada contains witty and humorous, I didn't find it fresh or original. Any big rea. moreWINNER: WORST BOOK OF THE YEAR 2015! Can we observe a moment of silence for my love of pop culture references? Thank you... E. Love of Pop Culture Links - 1986-2015. R.I.P. (I was born in 1980, but I didn't really flip my shit over something until the Howard Duck movie came out in '86. I'm sure there will be a few Uber nerds who will argue that's why I didn't get this novel because I wasn't born wearing the uniform of Star Trek.) Ernest Kline, to put it simply, Stephanie Myers. moreAug 29, 2013Annie appreciated his loved-up shelves: 2014 release, male-pov, science fiction, hypocritical, read-audiobookit was a disappointment, especially compared to Ready Player One. I'm definitely not the target audience for this, but. More. It's kinda fun, but also completely predictable. (Also, for all the people who commented on this review and acted annoys me that
