[Intro: Trevor Rich]

Stepped out of my zone (My zone)
I had to get out all alone (Alone)
And figure it out on my own (My own)
And I know what I really want now
Can't stop me, can't break me (Can't break)
What don't **kill** me, gon' make me (Gon' make)
Shoot for the stars, no safety (No safety)
And now I see clear in HD

[Chorus: Trevor Rich]

Gotta go hard (Gotta go hard)
I ain't got time to waste (I ain't got time)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)
They wanna fight (They wanna fight)
I'm just gon' let 'em hate (I'm just gon' let 'em hate)
I gotta go **high** (Gotta go **high**)

I gotta elevate (I gotta elevate)

[Post-Chorus: Trevor Rich]

You better choose a side, you gotta choose a side

You gotta pick

You better do what's right or you gonna lose the fight

You gotta (Gotta go hard)

You better choose a side, you gotta choose a side

(I'm just 'gon let 'em hate)

You gotta pick (Gotta go hard)

You better do what's right or you gonna lose the fight

(I gotta elevate)

[Verse 1: Denzel Curry]

I'm a web-slinger to a gunslinger

No millimeter, this is my arena

I'm the black widow with a bad stinger

And I'll make you scream like a bad singer

I'm everything that you wanna be plus more

Since there's no heroes anymore

Jump out the window, then put the mask on

Who the bad man that a man gotta bash on?

Hope we'll never link up

Blink and you will see us

Thumbprints 'bout to ink up

See me in the NYC
You can never swing by me
Hope we'll never link up
Blink and you will see us
Thumbprints 'bout to ink up
See me in the NYC
Home of the B.I.G, look
They will slander me, I just plan to be
Somethin' powerful for my family
Try to balance life and my sanity
Show a different side of humanity
So amazin', keep appraisin'
Save you from a home invasion
Chasin' robbers from the bank
You facin' friendly neighborhood Spider-Man

[Chorus: Trevor Rich]

Gotta go hard (Gotta go hard)
I ain't got time to waste (I ain't got time)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)
They wanna fight (They wanna fight)
I'm just gon' let 'em hate (I'm just gon' let 'em hate)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)

[Verse 2: YBN Cordae]

Okay

I fight crime through the nighttime

When the light shine, I go python

I've fallen, on my last lifeline

There's no way in my right mind

My city up on my back tight

How can I possibly act right?

I'm Robin Hood, I'm the Black Knight

I know you heard 'bout my last fight

'Cause I win, over and over again

Battlin' evil, I'm hopin' to win

Fightin' my demons, I'm nice for a reason

Enticed with the bleedin', I'm showin' my sins

How can you expect me to stay sane? Protect me

My technique go X speed on **high** waves and jet skis

I jump off this building to save these civilians

My strength and my honor is trusted by children

I'm ready and willing to fight all these villains

No chaos or killings, my style is so brilliant

[Chorus: Trevor Rich]

Gotta go hard (Gotta go hard)

I ain't got time to waste (I ain't got time)

I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)
They wanna fight (They wanna fight)
I'm just gon' let 'em hate (I'm just gon' let 'em hate)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)

[Post-Chorus: Trevor Rich]

You gotta choose a side, you gotta choose a side
You gotta pick
You gotta do what's right or you gonna lose the fight
(I gotta elevate)

[Verse 3: SwaVay]

Look, I ain't got no time to be hangin' around
Nobody tryna figure out if they good or evil
I'm fightin' the crimes, savin' your lives
One at a time, I'm killin' the rhymes
I do it for the people
I'm Peter Parker running through the 6 with a bag full
of tricks
My boy, you better choose a side
I may have lost the battle but I will not lose the war
I can promise you I will not lose this time
And I did it all independent, no really, all independent

Now we winnin', I got my homies cookin' up in the
kitchen
Intuition, so we gon' have to win and come for some
business
The world is mine and you gon' have to pay me
attention
And I did everything that I did on my own
I'm a one-to-one for real, there can never be a clone
Better talk to me nice, better watch yo' tone
And I'm puttin' on for my home zone so I gotta go
hard

[Chorus: Trevor Rich]

Gotta go hard (Gotta go hard)
I ain't got time to waste (I ain't got time)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)
They wanna fight (They wanna fight)
I'm just gon' let 'em hate (I'm just gon' let 'em hate)
I gotta go **high** (Gotta go **high**)
I gotta elevate (I gotta elevate)
