[Verse 1: Mike Shinoda]

Why does it feel like night today?
Something in here's not right today
Why am I so uptight today?
Paranoia's all I got left

I don't know what stressed me first
Or how the pressure was fed
But I know just what it feels like
To have a voice in the back of my **head**

Like a face that I hold inside
A face that awakes when I close my eyes
A face that watches every time I lie
A face that laughs every time I fall

(And watches everything)
So I know that when it's time to sink or swim
That the face inside is here in me

Right underneath my skin

[Chorus: Chester Bennington & Mike Shinoda]

It's like I'm paranoid, looking over my back

It's like a whirlwind inside of my **head**

It's like I can't stop what I'm hearing within

It's like the face inside is right beneath my skin

[Verse 2: Mike Shinoda]

I know I've got a face in me

Points out all my mistakes to me

You've got a face on the inside, too

And your paranoia's probably worse

I don't know what set me off first

But I know what I can't stand

Everybody acts like the fact of the matter

Is I can't add up to what you can

But everybody has a face that they hold inside

A face that awakes when I close my eyes

A face that watches every time they lie

A face that laughs every time they fall

(And watches everything)

So you know that when it's time to sink or swim
That the face inside is watching you, too
Right inside your skin

[Chorus: Chester Bennington & Mike Shinoda]

It's like I'm paranoid, looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath the skin

It's like I'm paranoid, looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin

[Interlude: Mike Shinoda]

The face inside is right beneath your skin
The face inside is right beneath your skin
The face inside is right beneath your skin

[Bridge: Chester Bennington]

The sun goes down
I feel the light betray me
The sun goes down
I feel the light betray me

[Outro: Chester Bennington & Mike Shinoda]

(The sun) It's like I'm paranoid, looking over my back

It's like a whirlwind inside of my **head**

It's like I can't stop what I'm hearing within

It's like the face inside is right beneath the skin

(I feel the light betray me)

(The sun) It's like I'm paranoid, looking over my back

It's like a whirlwind inside of my **head**

It's like I can't stop what I'm hearing within

It's like I can't stop what I'm hearing within

(I feel the light betray me)

It's like I can't stop what I'm hearing within

It's like the face inside is right beneath my skin
