[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Chorus: Ty Dolla \$ign]

I'm not scared of the dark

I'm not running, running, running

No, I'm not afraid of the fall

I'm not scared, not at all

Why would a star, a star ever be afraid of the dark?

I'm not scared

I'm not scared, neither are the stars

I'm not scared of the dark

Of the dark, mmm

[Verse 1: Lil Wayne]

Tunechi

I ain't never scared and I ain't never horrified

I just look down at my Rolex, it said it's the darkest
times

I ain't never terrified, I ain't never petrified

You know I see **dead** people, I just tell 'em, "Get a life"

I ain't never scurred, I'm not sure if that's a word, but
I mean every word, feelin' like "do not disturb," wait

Let me testify, I have never testified

And I'm married to my pride, I ain't never, never cried

I got eyes like marbles, if I cry they sparkle

You know I can read your mind like I'm the author

There's a line for tomorrow and that line's gettin'
shorter

I'm behind the **trigger**, what if I am the target?

Deep sigh, a sayōnara, I ain't afraid to **die**

It's either goodbye or good mornin', and the skies
start to fallin'

And I'ma shine in the darkness

I look back down at my Rollie, it says "Time for the
chorus"

You know I'm not scared

[Chorus: Ty Dolla \$ign & Lil Wayne]

I'm not scared of the dark

(I ain't never scared, I ain't never scared)

I'm not running, running, running

No, I'm not afraid of the fall

(Yeah, yeah, yeah, yeah)

I'm not scared, not at all

(I ain't never scared, I ain't never scared)

Why would a star, a star ever be afraid of the dark?

(Yeah, yeah, yeah, yeah)

I'm not scared

(Yeah, yeah, yeah, yeah)

I'm not scared, neither are the stars

(Yeah, yeah, yeah, yeah)

I'm not scared of the dark

(I ain't never scared, I ain't never scared)

Of the dark, mmm

(I ain't never scared, I ain't never scared)

Yeah, yeah, yeah, yeah

[Verse 2: XXXTENTACION]

Yeah

Okay, put my heart to the side

In my feelings, let's ride

Big MAC to the side

If she call, I'm gon' slide

"That my baby," boy, you crazy

She might get a new Mercedes

She say she want me, oowee

Okay, lil' shawty, let's do this, come on

[Bridge: XXXTENTACION]

If I could count the tears I've cried

A million times, I swear I've died
I'm trying, but it's still not right
The only time I want her is tonight

[Chorus: Ty Dolla \$ign & Lil Wayne]

I'm not scared of the dark
(I ain't never scared, I ain't never scared)
I'm not running, running, running
No, I'm not afraid of the fall
(Yeah, yeah, yeah, yeah)
I'm not scared, not at all
(I ain't never scared, I ain't never scared)
Why would a star, a star ever be afraid of the dark?
(Yeah, yeah, yeah, yeah)
I'm not scared (Yeah, yeah, yeah, yeah)
(I ain't never scared, I ain't never scared)
I'm not scared (Yeah, yeah, yeah)
Even from the start (Yeah, yeah, yeah, yeah)
I'm not scared of the dark (I ain't never scared, I ain't
never scared)
(I ain't never scared, I ain't never scared)
Of the dark (I ain't never scared)
Mmm, yeah, yeah, yeah, yeah
