

# Gary Clark Jr. - What About Us

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## **[Intro]**

Call it what you want, you can call it what you want  
Yeah, yeah

## **[Verse 1]**

Farmer Steph Williams was cool as a band  
He ran the neighbourhood, was the man in demand  
But farmer Steph Williams got too hot on the block  
They ran him outta town then the whole operation  
stopped

## **[Chorus]**

Saying "What about us?"  
Everybody saying "What about us?" Yeah

## **[Refrain]**

Well, there goes the neighbourhood, one way or  
another  
You can call it what you want

But the young blood's taking over  
Don't get too comfortable, just plan on moving over  
'Cause things gon' stay the same  
It's the same thing over and over

**[Chorus]**

"What about us?"  
Everybody saying "What about us?"  
Yeah, yeah yeah yeah

**[Verse 2]**

Hey Mr. Williams, what you gonna do now?  
You done got way too big for the little big town  
Made on up, can't you decide when you come around  
And everybody wants it now  
And the voices keep getting louder

**[Chorus]**

Saying "What about us?"  
Everybody saying "What about us?" Yeah

**[Refrain]**

There goes the neighbourhood, one way or another  
You can call it what you want  
But the young blood's taking over

Don't get too comfortable, just plan on moving over  
'Cause things gon' stay the same  
It's the same thing over and over

**[Chorus]**

"What about us?"

Everybody saying "What about us?" Yeah

"What about us?"

Everybody saying "What about us?" Yeah

Ooh, "What about us?"

Everybody saying "What about us?" Yeah, uh, uh uh

**[Refrain]**

There goes the neighbourhood, one way or another

You can call it what you want

But the young blood's taking over

So don't get too comfortable, just plan on moving  
over

'Cause things gon' stay the same

It's the same thing over and over

**[Chorus]**

"What about us?"

Everybody saying "What about us?" Yeah

## **[Refrain]**

There goes the neighbourhood, one way or another  
You can call it what you want  
But the young blood's taking over, ayy  
Don't get too comfortable, just plan on moving over  
'Cause things gon' stay the same  
It's the same thing over and over

## **[Outro]**

"What about us?"
