Carmeuse holding sa annual report 2018

Carmeuse Group's quarterly report for the second quarter of 2013, published on November 7, 2013, resulted from an ongoing economic downturn, sales decreased by 0.8% in crude products and by 3.7% in burned products compared to the previous year. 2. Net reached 534.8 million euros for the semester of this year or by 2% organic decline compared to June 2012. 3. EBITDA is 119.0 million euros, which is 3.3% more than last year, but it is affected by maintenance costs, which were postponed for the second semester. 4. Net shows a profit of 30.9 million euros, according to Carmeuse Group's quarterly report for the first quarter of 2013, published on May 7, 2013, in IN Financial 1. Net turnover for the first quarter of this year was 250.6 million euros, or 3.6% organic decrease compared to March 2012. 2. Ebitda is 50.5 million euros, which is 1.9% less than last year. 3. Net result shows a profit of 5.2 million euros. 4. As economic growth continued to slow, volumes decreased by 6.4 per cent in crude products and 4.8 per cent in incinerators compared to last year. Carmeuse Group's 2012 annual report, published on April 8, 2013, by IN Financial 1. Net turnover for the full year was 1,129.1 million euros, which is 1.4% less than in 2011. EBITDA for the full year was EUR 248.0 million, which is 5.4% more than in 2011. Volumes were affected by the fall in demand due to the global economic downturn, which led to a 7% reduction in crude oil and a 5% reduction in the incinerated products 3. Recycling our industrial sands operations in the U.S. have made a significant contribution to reducing financial debt 4. Net result is a profit of 45.3 million euros compared to a net profit of 31.0 million euros in 2011. Carmeuse Group's quarterly report for the third quarter of 2012, published on January 18, 2013, in FINANCIAL 1. Net turnover and EBITDA by the end of September will reach 915.5 million and 196.0 million euros respectively, which is comparable to the level of the previous year. 2. The net result is positive at 42.9 million euros compared to EUR 19.6 million in the same period of 2011. 3. Total sales have so far fallen by 5.5 per cent compared to September 2011. Private and public companies Search for IndustryAdvanced SearchMy Watch List Carmeuse and GP Group subsidiary Golden Lime PLC acquires Saraburi Kviklim, Thailand's fourth-largest lime company Deal signals the first-ever acquisition among lime producers in Thailand Bangkok, Thailand, 27-Mar-2018 - /EuropaWire/ - Golden Lime Public Company Limited (SET: SUTHA), a subsidiary of Carmeuse and GP Group announced today the acquisition of 99.9% of shares in Thailand's fourth-largest lime company Saraburi quicklime. The acquisition will contribute to the Golden Lime's leading position in the Thai market complements the company's recent organic growth. Commissioned the new production site at the beginning of this year and the acquisition of Saraburi quicklime, the production capacity of Golden Lime increased from 330,000 tons to 500,000 tons per year of fast installed lime capacity - 50% more than a year ago. Thailand is one of the largest consumers of lime and lime derivatives in Southeast Asia thanks to its large and diversified industrial and agricultural base. Consensus opinion on Thailand's GDP growth of 4% in 2018 should lead to an increase in demand of the economy consuming lime. The sugar cane yield is expected to be 10-15% stronger than last year, and further growth is expected in the steel industry, which grew by 10% in 2017. We were looking forward to the right opportunity to accelerate our growth through acquisitions, said Geza Perlaqi, managing director of Golden Lime. Saraburi Kviklim has a strong reputation as a reliable industrial supplier with a strong relationship with local customers. Combined with Golden Lime's knowledge base and operational experience, we are building a strong organization to support our various clients. We are very pleased to welcome the Saraburi quicklime team to Golden Lime and look forward to working together on the development opportunities of the combined company.
