It shows the direction of the journey before he returns to the beginning of the path that leads to his destination. It is a sad truth that countless people live with quiet despair, and some die of vague anxiety that somehow they missed it. Others wander aimlessly - somewhat purposefully - trying to solve the goal puzzle, by definition, is the end of the thing, not its beginning. God decides what He wants before he begins the process of receiving it. It shows the direction of the journey before he returns to the beginning of the path that leads to his destination. It is a sad truth that countless people live with quiet despair, and some die of vague anxiety that somehow they missed it. Others wander aimlessly - somewhat purposefully - trying to solve the puzzle set by life. So, in pursuit of purpose, you will find priceless answers to some of the puzzles set by life. I sincerely admit that there is no book other than God's Word, the Bible, where you can get answers to all your questions, but certainly great successes, based on the source of divine revelation, life experience and intelligent scientist in the person of Dr. Miles Munro. You'll be focused on the path to fulfillment, and get an answer to the all-encompassing question: Why am I here at EARTH? The book was resulting from the author's long pursuit and the final opening of his goal on the YOU'LL find fascinating chapterS SUCH AS GOALS PRINCIPLES, PRIORITY PURPOSE, PURPOSE AND TIME, PURPOSE AND VISION, THE BENEFITS OF PURPOSE, THE SOURCE OF PURPOSE, THE PERILS OF PURPOSE, PURPOSE AND SUCCESS. This is, I'm sure you'd like to look up. LESSON LEARNTLife on this earth is such a short visit. Thus, the need to lead the goal of the initiative of life daily. For no purpose, life has no heart - The purpose serves as a guide to determining the best path to a predetermined end. The goal maximizes energy and gives meaning to time. Life was never intended as a game of trial and error, which led to a waste of time. The goal keeps you focused. The goal creates a leader because it provides an appointment for life and signals a sense of significance. The book is well packed with some of the basic principles, commandments and concepts that you need to understand as you stand up or continue your path of discovering your goal. You don't see this book at this moment by accident. So I'd recommend that you get a copy and study it carefully. Shalom!!! ... More...
