Registration numbers provided on individual contracts for buyers
Gender of the Puppy: **Male Female** Ribbon Color/Coat Color/Markings:
1-A pet Puppy is defined hereinafter to be a Standard Poodle Puppy and embodies the general characteristics of the Standard Poodle breed. This Puppy is purebred and the litter has been registered with the American Canine Association and Continental Kennel Club. Pedigrees from both registries have been given to Buyer.
2-The Breeder **guarantees** that the above described Puppy has received 1st set of DHPP vaccine at 6 weeks, NeoPar at 4 & 8 weeks, worming at 2, 3, 4, 6, & 8, & NanoChip microchip before given to Buyer. The Buyer has received a copy of the Puppy's initial vaccinations and worming schedule, but is responsible for continuing, and payment of, veterinarian recommended vaccinations and/or testing upon signing this agreement.
3-The Buyer incurs **complete** responsibility (including all veterinary, financial, medical, temperament, and overall care) of the Puppy upon signing this agreement.
4-If Puppy dies within **48 hours** of Buyer's possession, and a refund is requested, the Buyer is responsible for having, cost of, an autopsy performed by a licensed veterinarian. A copy, on letterhead, of the autopsy should be provided to the Seller, the Seller has the right to speak to the licensed veterinarian. A full refund will **only** be issued if Puppy's death is the result of the Seller's negligence (i.e. lack of initial vaccinations, lack of shelter, lack of food/water, and lack of general care).
5-**HEALTH GUARANTEE:** Breeder certifies that this puppy is, to the best of his/her knowledge, healthy at the time of sale. Although Breeder has provided initial vaccinations and worming preventative, Breeder **cannot** guarantee against internal and external parasites, and other minor issues that are easily treated. Breeder does **not** guarantee against any cosmetic defects such as, but not limited to: bite off, scar tissue left from a closed umbilical hernia, dew claws that grow back, undescended testicles, or small hernias that can be repaired when the puppy is neutered/spayed. Breeder does **not** guarantee against viral illnesses, infections, hernias, Giardia, Coccidia, gastric dilatation-volvulus (bloat), illnesses due to ingestion of foreign objects, food, chemicals, or physical injuries.
6-Breeder **guarantees** the Puppy to be free of any congenital disease until the Puppy attains the age of **one** year. If the Puppy develops a congenital disease, or a condition that dates from the prenatal or fetal stage, and if Buyer provides to Breeder written certifications from a licensed veterinarian and then allows Breeder to take Puppy to a licensed veterinarian of his/her choice and the same disease is found, a replacement Puppy of equal or lesser value will be given as soon as such a Puppy is available. If replacement Puppy is not available, a refund of the original price may be substituted. Original Puppy is to be returned to the breeder.
7-Dam has been certified by the Orthopedic Foundation of America (OFA), and Sire has received a PennHip evaluation. Copy of certification and results can be given by request of Buyer. Breeder **guarantees** the Puppy against a severe crippling hip dysplasia until the dog attains the age of **two** years. Prior to the expiration of this guarantee, if Buyer provides to Breeder a written certification by a licensed veterinarian, Orthopedic Foundation of America (OFA), and an authorized PennHip evaluator, that the dog has a severe crippling grade of hip dysplasia, and if all X-rays of the dog are made available to Breeder upon request, then Buyer may upon proof of spay, receive a replacement Puppy of equal value when such Puppy becomes available. This certification can be done no earlier than 1 year of age. This guarantee is **forfeit** if Buyer allows Puppy to become overweight, which causes developing joints to be overstressed
8- Buyer **agrees** to comply with local dog license laws. Buyer further agrees that Buyer is solely responsible for any and all actions of the Puppy and agrees to hold Breeder harmless from any and all claims for bodily injury and/or property damage caused, or alleged to have been caused by the Puppy.
9- All warranties, guarantees, and promises of the Breeder under this contract shall be null, void and of no effect if the dog has been the victim of abuse, neglect, accident of any type or if it has an improper diet.
10-Breeder is bound by all agreements to the original Buyer **only**. This contract contains the entire agreement between the parties and no statement or verbal agreements made by either party that are not contained in this written contract shall be valid or binding. This contract may **not** be modified or altered except in writing and signed by both parties. Violations of this contract will constitute a breach of contract. Breeder reserves the right to return deposit and/or refuse the sale of a Puppy.
I have read and understand the stipulations of the Contract and voluntarily agree to all elements, stipulations and provisions herein.
