An advertisement for the "Storefront PRO" WordPress E-Commerce Theme. The background is a dark brown gradient. On the left, the text "Storefront" is in a large, white, sans-serif font, followed by a small black box with "PRO" in white, and the WordPress logo. Below this, the text "Responsive WordPress E-Commerce Theme" is in a smaller, teal-colored font. A list of features follows in white text: "WP E-Commerce & Gold Cart Ready", "Completely Responsive Design", "High Resolution Retina Image Mode", "Extensive Theme Options Available", "Working Twitter Feed & Dropdown Menu", and "Layered PSD Source & Detailed Documentation". On the right side, there are images of a smartphone and a tablet displaying the theme's interface, which includes a navigation menu, a featured product section, and a list of products. A yellow tag with a black logo is overlaid on the images. The entire advertisement is framed by a dark brown border.
