The Nerf Elite 2.0 Echo CS-10 blaster is designed for customizable gameplay and tactical performance. Its built-in customizing capabilities allow you to upgrade it with various accessories, such as the removable stock and barrel extension. The blaster features four tactical rails that can be used to attach additional battle accessories. It comes with a 10-dart clip, which can fire darts up to 90 feet (27 meters), and includes 24 Official Nerf darts for initial loading. The blaster is battery-free and recommended for players aged 8 and above, but safety precautions are advised due to the risk of eye injury. • Le faisceau est plus visible dans un éclairage de faible intensité. • El rayo de luz funciona mejor con poca iluminación. • O feixe de luz funciona melhor com pouca iluminação. **STORING YOUR BLASTER** • RANGER LE BLASTER • GUARDAR EL LANZADOR Não estore o blaster carregado e pronto para disparar. This blaster comes with an attachable scope and barrel, allowing you to create different blaster styles as you gear up for Nerf games. The revolving drum has an 8-dart capacity, allowing you to fire 8 darts in a row before reloading from the onboard dart storage. This blaster includes 16 Official Nerf Elite darts - 8 darts to load into the drum and 8 darts to store on the blaster. Take aim and send the darts flying through the air up to 90 feet (27 meters). Il est équipé de 3 rails tactiques pour ajouter des accessoires NERF (chacun vendu séparément, sujet à disponibilité). Des lunettes sont recommandées (non comprises). Aucune batterie n'est requise. Get ready for action-packed fun with this bolt-action blaster that comes equipped with 16 Official Nerf Elite foam darts, a built-in storage system for quick reloading, and three tactical rails for attaching additional Nerf gear (sold separately). Suitable for kids aged 8 and above. To ensure eye safety, never aim at eyes or faces, and use approved eyewear to protect players and bystanders. Only use official Nerf darts, as others might not meet safety standards. Additionally, do not modify the blaster or darts. Some small parts may be generated, making it a choking hazard for children under 3 years old. The package includes the blaster itself, scope, barrel, 16 darts, and instructions.
