Estepona villa – 4 bedrooms

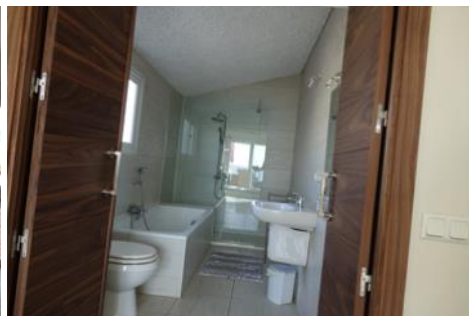

The view

No matter what time of the day it's you can enjoy this house beach views. A balcony can provide a sun refuge or a breeze. The patios can serve various functions and are connected. Enjoy the house and its views!

The facilities

A fully equipped kitchen, and a complimentary smaller second kitchen in the upper floor provides guests with the possibility of grabbing a snack, tapa or a drink without much effort. The house was designed to provide independence and comfort without disregarding social or family engagement. A beauty for family bonding.

The bedrooms

Four large spacious bedrooms with comfortable beds. The house has 2 bedrooms in the ground floor one with a modern walk-in shower and the other with a bath. The upper floor has also two bedrooms each with their own full bathroom.

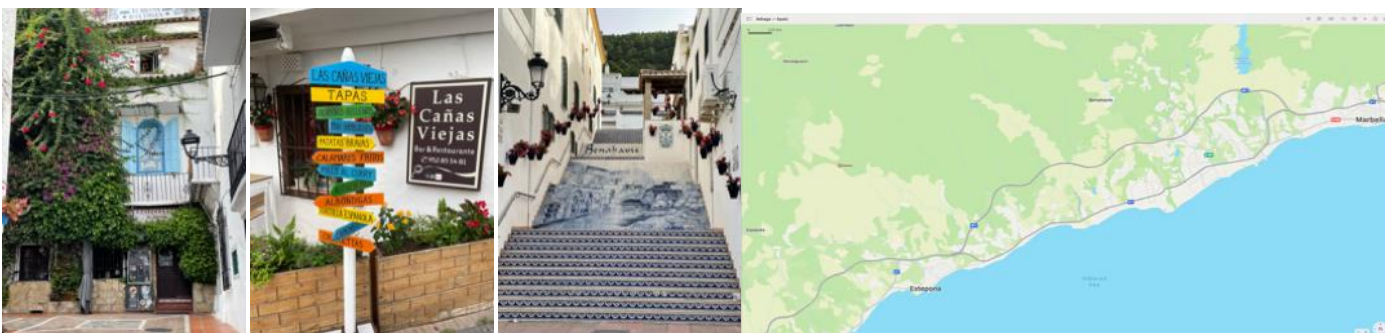

The community

A quiet swimming pool with different depths for children and for adults is open for residents throughout the day. A serene stroll in the beach shore walkway gets you to nearby hotels within 10 minutes. When there is a full moon, you'll be able to enjoy the sea highway from the open balcony, an experience you will surely talk about with your friends when you go back home.

Nearby surroundings

Have a drink, book a spa or make a dinner reservation in one of the nearby hotels – Estepona Hotel & Spa Resort, Elba Estepona Grand Hotel & Thalasso Spa – or at el Nido beach club Estepona, all within walking distance by the beach. Mercadona supermarket and the city center are just a short drive away. For the fit and adventurous at heart, you can walk all the way to Estepona center following the beach shore path and then enjoy a paella in one of the local restaurants.

Nearby surrounding towns

Whether you like to enjoy fine dining at Benahavis, do shopping at Puerto Banus, promenading at Marbella or simply experience the charm of a white village such as Cacares, all these towns are located within a one-hour drive from this gem in the sun. You will have it all at your fingertips. Alternatively, enjoy Andalusia, go to cities as Malaga, Ronda, Cadiz and use the villa as the home base.
