The image shows a screenshot of a software application titled "Huawei calculator" in the window title bar. The main heading inside the application is "HUAWEI Unlock code calculator" in large, bold, green letters. Below this, there are several input fields and buttons. On the left, the labels "IMEI", "Flash code", "v1 code", "v2 code", and "v201 code" are displayed in red, blue, green, green, and green respectively. Each label is followed by a white rectangular input box. To the right of the "IMEI" input box is a button labeled "Calc" with a blue border. To the right of the "Flash code" input box is a button labeled "Reverse". To the right of the "v201 code" input box is a button labeled "Exit". At the bottom of the application window, the text "Freenetkmer" is displayed in large, bold, red letters.
