For your convenience, download October 5, 2020 WOBOE meeting minutes. Last modified about 2 hours ago Last edited May 19, 2018. Last modified about 2 hours ago You can now subscribe to the WOBOE TV channel on YouTube or find the most recently recorded Board of Education meeting videos. For your convenience, download the meeting agenda on 26 May 2018. Please see WOBOE Zoom Video Instructions here for the October 26, 2020 board meeting. Last edited Friday at 10:00 a.m. We are proud to represent the residents of West Orange in overseeing the leadership of the West Orange public school district. In West Orange, we have the pleasure of working with a dedicated administration and staff, a comprehensive and challenging academic program, and students who constantly strive to grow intellectually, morally and socially. We thank all members of the school community for the successes achieved. Students in West Orange public schools continue to impress us with their academic achievements, successes in music and related art, and honors in athletic competition. This Board of Education is committed to continuing to pursue the best possible education for the diverse group of young people in our district. We know that the public school system is an important cornerstone of a successful society. We promise to work with the West Orange community to meet the needs of all our students. We're working to keep in touch with the entire West Orange community. Look for new information from the West Orange Board of Education on this site (www.woboe.org), on public access Channel 36 (Comcast) / Channel 45 (FIOS) at Board of Education meetings (held twice a month), through articles in local newspapers and in a newly produced videotape. We also encourage you to talk to West Orange students, families and faculty! They will share their own stories and experiences that bring to life the enriching educational and social environment offered by West Orange public schools. The board targets high!
