Each page contains all the information you need to learn the Chinese character: the origin (etymology) of the character, his description and entertaining illustration of the cartoonist Tang Hwai Peng. Knowing the origin makes character recognition much easier. The cartoons that accompany each character are often comic and intelligent. Examples of how a character is used in complex phrases are offered. The first volume contains an in-depth introduction about the genesis of the characters. The third volume contains an index of all 480 characters and their location. The characters are written by traditional and simplified characters and romanticized by pinyinine pronunciation. Stroke orders, definitions and example suggestions make this book a valuable resource. Learning Chinese characters has never been so much fun!
