

General Memetics News November 2023

Dear Possibilitators,

I - Anne-Chloé - just delivered my seventh [Rage Club Spaceholder Training](#). This adds up to a total of approximately one-hundred and eighty Rage Club Spaceholders now unleashed in the world.

Delivering Rage Club Spaceholder Training (RCST) is the equivalent of forty-years-ago delivering a Yoga Teacher Training. It changes human culture. It evolves people's awareness and the level of practice in people's lives. [Rage Club is becoming the new Yoga!](#)

Our last session was more feeling-full for me than I thought it would be. Especially when Kian Nasir reminded us that I said this was the last session of the last RCST that I would hold - at least for a while. I have books to write... I can feel this chapter of my life closing behind me (no pun intended). Other Rage Club Spaceholder Trainers are now training Rage Club Spaceholders in multiple languages and multiple countries around the world. It is working.

RCST has been such an incredible [Learning Spiral](#), starting from the very first session of the very first RCST in December 2020. At that time, our tiny [nanonation](#) was based on La Gomera, one of the Canary Islands. I remember standing on a chair, screaming at all of you on my computer screen, trying to demonstrate how to use a Rage Cloth, and how to make [Boundaries](#) that change the shape of your Being.

RCST put me in more [Liquid States](#) than I imagined was possible. I felt global-level Anger about the archetypal necessity for human beings to wake up the [Agency](#) of our full [Voice](#) and [Presence](#). Of course I did not know how to accomplish this! But that fact did not stop me from [Taking A Stand](#) to do everything I could to try.

To deliver RCST, I hold inside of me an energetic tension between the [Potential](#) of what is [Possible](#) to [Create](#), and what we are actually creating from moment-to-moment in the space. I learned so much about invoking and coaxing the [Spaceholder Skills](#) of each participant to be more alive, while doing the same thing with myself, over and over and over again. This is how to develop absurdly effective [Transformational Space Navigation Skills](#).

No one can do this for you. More interestingly, no one can stop you from doing it.

I remember that during the first three or four RCSTs, before each session, I would experience such intense and immense Fear about whether what I was doing was working at all! I kept going thanks to

[Vera Franco](#) who was a positive force for this gameworld to keep rolling, Clinton Callahan who kept calibrating my [Compass Of Reality](#) when mine was so distorted that I was ready to give up, and each participant who went on to deliver their own [Rage Clubs](#). I keep hearing from your participants how the Rage Clubs you deliver change their lives for the better.

After a while, I started [Radically Relying](#) on the [Source](#) of Rage Club Spaceholder Training filling our spaces with [Clarity](#) and Possibility, assuring that whatever we experimented with would work, sometimes miraculously. RCST is still the space in which I experience the most closeness with the people in it. I think this is due to recognizing that we stand together on the front lines of the [Evolution of Consciousness](#).

There at that [Edge](#), we look each other in the eyes, and someone asks, "Where next?" Someone responds, "Don't know for sure. Let's try this."

Then off we go, another journey around the Learning Spiral, with spinoffs that benefit everyone.

I cannot think of something more intimate and bond-making than this. It feels like going into battle together, except we exert every fiber of effort FOR SOMETHING, and not against anyone or anything.

It is cause for celebration when newly trained Rage Club Spaceholders thank their Team for accompanying them, and really being with each other on this journey. Many said that this was a place they could be more vulnerable than in many of their usual spaces. When I hear this, I hear a mountain-sized 'Go!' Go for the clear and powerful [Context](#) we learned to [Cavitate](#), [Hold](#), and [Navigate](#) together. Go for RCST. Go for [Spaceholder Training](#) at large.

In my heart I sense that the best Force of Evolution we can ask for is our [Village](#). If there is anything I would have wanted to call forth in a RCST, it is a living collaborative Village, with the enthusiasm to shout at each other: "Just start!"

There is so much more to discover about the territory of [Conscious Rage](#), and about [Rage Club's role in the emergence](#) of [Archiarchy](#). I think we have barely scratched the surface. I have been enrolled by Clinton to document as fast as possible what we are discovering. This is an invitation for you to do the same through [newsletters](#), [articles](#), [videos](#) and other [formats](#). You might be surprised how fast an [Archiarchy Book](#) can come together when you document your journey.

Anything else?
Yes. I love you.
