

---

Bharati There are many books on the subject of the Revolt, but it is the story of Bharati, her journey and her experiences which makes the book worth reading, written by Purushottam Laxman Deshpande. Bharati is a daughter of a small town of Sahibganj in Eastern Bengal. It is a story of life and death, about the Indian freedom movement. Bharati's life goes through lots of ups and downs and she endures a lot of tribulations. She becomes an important character in the drama of freedom. Her journey to Dandi Bharati is a freedom fighter. It is the period of the movement of 1857. Bharati is the daughter of a small town leader in Eastern Bengal. Her father is from a community which is considered to be a bit moderate, and he is not involved in the movement for freedom. He is a Gandhian, and his teachings give Bharati an idea about the movement for independence. Bharati feels that she must also participate in the movement. She believes in the ideology of non-violence. Her parents don't approve of her activism and hope that she will come back once the movement is over. But, her heart is set on participating in the struggle for freedom.

So, Bharati leaves her home for a small town in West Bengal. She finds that her father has been waiting for her with folded hands. Her parents ask her to stay and study. But, Bharati is firm on her decision. She tells them that she has a mission and must complete it. Bharati is in the midst of studies. She has a good school in Sahibganj. Her father now leaves her alone in Sahibganj. Bharati shares a room with her elder sister, but she prefers to share the room with her younger brother. She finds it difficult to adjust with the people of the town. She is mocked by them for her opposition to the British. She is discriminated on many grounds. One day, she sees a letter written by a group of women in the house next door. It makes a deep impression on her. It is a letter which she gets inspired to go and participate in the movement. Bharati is taken to Calcutta for the movement. She has a mind to become a freedom fighter and participate in the struggle for independence. Death of her father 520fdb1ae7
