Mills My passion for serving those who call Hamilton County home was the reason I originally ran,' said Mills, a 1980 Graduate of Noblesville High School who lives in Cicero. This passion has only grown stronger over the years, and I want to continue to build on the legacy of excellence that is the Hamilton County Audit Office. Helping implement change over the years has been very helpful, so helping to move in Hamilton County is one of the many things I love about my work. Mills, a Republican, is seeking his fourth term in the November 3 election, competing with Democrat Michael Roberts. Mills was first elected auditor in 2000, serving two terms. She began her career in the audit service as a transfer and mapping deputy. It was raised to the payables/receivables of the deputy. She was then given the opportunity to serve as Chief Deputy Auditor for John Ogle. After eight years as chief deputy, Mills served the first two terms. She then became principal deputy auditor under Dawn Coverdale before she was re-elected in 2016. I have had the honor and privilege of serving the people of Hamilton County for nearly 40 years, 31 years of whom have been in the audit office, she said. My entire 31-year career in the audit service has been based on the ideals of transparency and providing all the information they want and need.
