

# DELONE DAWISHA (P'11): NO ORDINARY SUNDAY

Delone Dawisha, a Prep Class of 2011 graduate, and his girlfriend, Rita Kassab, visit the Grotto from time to time. So when they arrived on campus on Sunday, March 10th, he suggested they pray at the Shrine Chapel because she had never seen it. When they arrived, both families were hiding out of sight. Amidst the planned decorations and pianist playing nearby, Delone proposed to Rita at the altar and she said "YES!" Their families joined them for photos before departing for an off-campus dinner celebration. The happy couple, who first met in January 2023, are planning a July 26, 2025 wedding.

Dawisha attended Wayne State University for both his undergraduate studies and law school. He has been practicing law since November 2018 and first worked as an associate at Honigman LLP in Detroit for three years before starting his own firm, Dawisha Law. The Troy, Michigan firm (200 E. Big Beaver) focuses on business (M&A, private equity, startups), real estate (primarily commercial real estate), and construction transactions.
