? Description Need For Speed Most Wanted features a new in-game engine, better graphics, new gameplay features, and five different special editions of the game. The game is set in a world where illicit street racing is the way to go, and where cash and speed rule. The game features a new in-game engine. All of the environments, billboards and other scenery are rendered in 3D, allowing for extremely detailed and photorealistic images. The in-game engine also makes full use of the visual power of the XBOX 360, and it includes new effects. The game is set in a city where street racing is the way to go. The game features 10 exclusive cars, with over 200 cars already in the game, and the graphics are detailed and realistic, based on the high resolution of the XBOX 360. The game features five different special editions, all with differing car details. The Fast and Furious Edition is the base edition, and features the cars from the Fast and Furious movies. The American Muscle Edition is based on the look of

the muscle cars of the US in the 1980s. The Immortality Edition is based on the cars from the James Bond movies. The Royal Edition is based on the cars of the Royal Family, with custom liveries. The ICON Edition is the super edition, with custom liveries, vehicles and modifiable gameplay. Stunts Acceleration Stunts Most Wanted mode Game Story The game starts with a short film showing the action of the game, with several scenes shown and an explanation on what the game will offer and what the highlights of the game are. The story is that Dominic Toretto is the owner of a car garage, where he is trying to stop one of his enemies from getting his car. Dominic is kidnapped by a group of enemies from a race, and he makes his way to a warehouse where they plan to pull off a big heist, by stealing a \$50 billion shipment of narcotics. Dominic and his partners from the garage hear about the theft and, as they find out about the heist, set out to get to the warehouse and get the drugs back. There are five special editions of the game. The standard edition is the base edition. The Fast and Furious Edition is the base edition. It features the cars from the Fast and Furious movies. The American Muscle Edition is based on the look of the muscle cars of the US in the 1980s. The Immortality 520fdb1ae7
