Donation History

Describe the qualities you feel are important in a parent: .

Egg donor ethical issues: No

Why have you chosen to become an egg donor: I want to be a part of making someones dream come true.

Discussed with family?: Yes

Discussed with friends?: No

Discussed with spouse?: Yes

If no, why haven't you told them?

If yes, are they supportive? No

Why or why not: No

Meet the recipient couple?: Yes

Meet the prospective child(ren)?: No

Are you willing to donate to a ...

Embryo Donation

Willing to do "Shared Cycle"?: Yes

Frozen egg bank cycle: No

Is there anything else you would like to express to potential recipient couples about yourself? Please feel free to write it here.

Donate unused embryos?: No

Will you sign a consent form?: Yes

Donation Locations

Donate in Your Home State?: Yes

Donate Internationally?: No

Donate in the USA?: Yes

Do You have a Passport: Yes

Previous Egg Donation History

Previous egg donor? Yes

Number of times: 1

Previous Donation 1

Clinic name:

Date(s) of retrieval: update: 2/11/13 by agency 5 frozen embryos sent to India - stuck in customs did not survive 5 embryos still frozen in USA 5 embryos used in USA no pregnancy

Number of eggs: 16
Pregnancy Results: No

Education

Education Level bachelors

College GPA: 3.8

Currently enrolled in college?

Schedule flexibility: Schedule is not very flexible. I am in 2nd year of law school at Harvard and I do internships in summer.

Clubs and organizations: Phi Alpha Delta Pre-Law Fraternity: 2009-2012:

Personal Profile

Activity Level:

Athletic ability: Above Average
Excel in athletic ability or sport?: No
Please list hobbies: Writing slam poetry, acting and running
Describe any skills or talents you possess: acting, singing, dancing, writing, flexibility, creativity
What are your interests?: creating and writing, following current world and US news, philosophy
Musical ability: Above Average
Voice: Mezzo-Soprano
Play a musical instrument?: No
Describe your personality: outgoing, gregarious, loving, caring, passionate, creative, dedicated, motivated, persistent
Personality as a child: Similar- extremely extroverted and excited
Personality as a teenager: Similar- very outgoing and involved with many friends and extremely funny
What is your missing talent?: playing piano
What are your strengths?: listening, being empathetic, creativity, drive, passion, organization, critical thinking, analyzing, perseverance, leadership
What are your weaknesses?: spreading myself too thin, not giving up control
Ringtone: Don't worry, be happy
When you were a kid, what did you want to be when you grew up and why?: actress
What celebrity do you most resemble?: Melissa Joan Heart
If you could be any celebrity, who would you be and why?: Oprah Winfrey because she is caring and wants to make a difference in the world.
If you could hang out with any movie character, which would it be?: Precious
What is your philosophy on life?: 'Be the change you wish to see on the world' To chose happiness
Please describe your religious or spiritual beliefs: Not very religious
Who has been the greatest influence on your life and why?: My mother for sure. She has been through trials and tribulations galore with and without me and she has taught me that life may kick you down but it's the fact that you get back up that matters. She taught me 'You are your only limitation' and I will never forget that.
If you could meet one person, dead or alive, who would it be? Neil de'Grasse Tyson
If you could ask that person one question, what would it be? Does your knowledge give you meaning to life?
What is your most memorable moment?: I slept overnight in the Sahara desert during a week trip to Africa and gazed at the stars. I felt so small then and so humbled by the greatness of life.
What is your greatest fear? Not seeing and experiencing everything the world has to offer before I die.
Describe your most valued relationship with a family member?: My mother because she and I are so close. If I didn't have a mother, I would chose her as a friend. She listens intently and never judges and gives great advice.
Describe your most valued relationship with a friend?: My relationship with a friend I met in Spain, Becca, is fun and exciting- no matter where we are in fdifferent cities, we are always there for eachother and make eachother smile.
What are you most proud of?: My academic accomplishments thus far, breaking through barriers that brought my mom and I down, and admitting when I was unfulfilled in teaching and doing something about it by going back to school to study law.
Where do you envision you life in 10 years?: Becoming a successful lawyer, raising a family and traveling the world.

International travel?: Yes

Where would you like to travel, and why? Greece because is is breathtakingly beautiful

What are your immediate personal goals?: I just wish to take each day and live it.

Describe your political views: Socially liberal

Have you ever tried Extreeme Sports:

Are you superstitious?: No

What are you most proud of?: My academic accomplishments thus far, breaking through barriers that brought my mom and I down, and admitting when I was unfulfilled in teaching and doing something about it by going back to school to study law.

Are you an early bird or a night owl?: night

What is your favorite...?: Africa, Italy, Spain and Portugal because they had the most interesting and diverse culture from my own and the best food!
