What is secular music meaning

Disclaimer: The purpose of this article is not to reveal, detect, prove, suggest nor assume any conspiracy related to the existence of the Illuminati, Freemasons or any other secret society. The purpose of this article is not to condemn any musicians nor listen to their music. Ethiopia 6:12 says, For we do not wrestle with flesh and blood, but against rulers, against the government, against cosmic power in this present darkness, against the spiritual forces of evil in heavenly places. This article was created to reveal SATAN and his involvement in music. Viewers should be cautious. sec-u-lar/sekylar/Definition[1]: status separate from religion Define[2]: of or relating to things of the world or things not considered religious, spiritual or sacred; time Let me start by saying that the Bible nowhere condemns any particular style of music nor claims any genre of music is unsyncramous. It's the LYRICS of a song that decides whether a Christian should hear it or not. Although not talking specifically about music, Phil-soldier 4:8 is a great guide to musical lyrics: Finally, breathe, whatever is right, anything is noble, anything is true, anything is pure, anything is lovely, anything is admirable– if anything is wonderful or commendable–think about such things. If we should think about such things, surely those are the things we should invite into our minds through music and lyrics. Can the lyrics in a worldly song be true, noble, right, pure, lovely, admirable, outstanding and commendable? If so, then there is nothing wrong with a Christian listening to a worldly song of that nature. However, much of the world's music does not meet Philip's standard of 4:8. Worldly music often promotes unsc morality and violence while belittling purity and integrity. If a song glorifies what is against God (sin), a Christian should not listen to it. However, there are many worldly songs that do not mention God but still uphold divine gospel values such as honesty, purity, and integrity. If a love song promotes the sanctity of marriage and/or the purity of true love – even if it doesn't mention God or the Bible– it can still be heard and enjoyed. Whatever a person allows to occupy his mind sooner or later will determine his speech and his actions. This is the ang truth behind Philip, 4:8. I would also like to point out that MOST of today's worldly music is truly blasphemous to God, photographed directly at Him. Some artists have even gone as far as blasphemy of the Holy Spirit, which is sinful most unforgivable. Mark 3:28-29 - [28] Indeed, I say to you, all sins will be forgiven for human children, and whatever blasphemy they utter,[29] but anyone who blasphemes the Holy Ghost never has forgiveness, but sins eternally. Whether these musicians are in total to the messages depicted in their music, or it is just a gimmick to sell records, Satan still uses them to fulfill his mission – that is to make man curse God (Job 1:6-11). Just as Philip 2:13 says that God is working in the lives of Christians for his good joy, the Bible says so is true for Satan for those who are in sin. They are following the prince of the power of the air [Satan], whose spirit is now at work in the son of disobedience (Eritist 2:1-2). There are only two working bodies on earth (God and Satan) and whoever we surrender to, that's our servant (Romans 6:16). Compiled below are lyric images and excerpts of blasphemy taking place in today's music. Because I am the most knowledgeable of Rap/Hip-Hop, I chose to include only those genres of music. ITALIAN VIEWERS ARE ADVISED ... blas-pheme/bias f'ém/Definition[1]: an act of insulting or expressing contempt or disrespect towards GodDefinition[2]: the act of proclaiming the attributes of the godDefinition[3]: disrespect for something considered sacred Lil B (also known as The BasedGod) filming music videos for his song Look Like Jesus in a church The chorus for this song says ... Music video for Wiz Khalifa's single Black And Yellow (released: 2010) where a man is wearing The Sigil of Baphomet on his shirt (symbol of the Satanic Church). Obviously, the best kind of music is praising and glorifying God. If you still want to hear Rap/Hip-Hop, I would suggest listening to the Gospel; music that edifies it hears. Some of the Christian Rap artists I personally saw as talented were Andy Mineo, Lecrae, Trip Lee, Suzy Rock and Stephanie C (formerly known as Chyna Whyte). I want to end this article by saying that God is merciful. He asks us for forgiveness through His Son, Jesus Christ, who died on the cross to pay the punishment for their sins By not accepting Jesus as an atonement for our sins, we are compeled to pay our own punishment; it is completely separate from God in a burning hell. So if you believe what Jesus did for you and want to accept Him as yours you Help God, click here. I love you (read), God bless. Bless.
