GETTING MARRIED AT ST PAUL'S

St Paul's is an ideal venue not only for your wedding reception, but also your marriage service. Our clergy team would be very happy to talk to you about getting married here. You don't have to be a regular church goer to have a church wedding, but there are some legal requirements which our clergy can talk through with you.

A church wedding is marked out by the fact that a vicar will marry you according to the well-known vows that have been used for centuries. You will also be prayed for as a couple and receive God's blessing on your union.

To find out more about getting married in a Church, please follow the link below:

OUR MISSION & COMMUNITY ENGAGEMENT

St Paul's is more than a venue – it is a community hub. We are a thriving Church and Community Centre. Throughout the week we hold weekly church services, food bank and support groups and youth and family programmes. The Church holds a bi-annual arts and music festival which draws in some of the most prominent artists and thinkers in the UK.

If you would like to get involved with the Church or Community Centre and would like to use your knowledge and experience to help the community, we would love to hear from you. If you are able to volunteer your time or would like to donate to support our mission, please do get in touch via email on:
