INVIGORATE

SHAPE NV presents

Saturday Sept. 25, 2021

"First Aid at it's finest 'Care'fully Planned SEL Integration"

In this presentation, participants will learn the importance of purposeful planning and how to put those plans into action. They will learn how to intentionally embed SEL competencies within their lessons, which will help provide students with relevant, meaningful moments. Kyle and Derrick will share lessons, ideas, and planning strategies, and provide participants tools they can use to help set their students up for success.

Derrick Biehl

He was 2019 Northeastern District IAHPERD Young Professional of the Year. He is the current Awards Chair and Delegate for Northeastern District IAHPERD. He received his bachelor's degree at State University of New York Brockport College, and is finishing his master's degree from Aurora University in Illinois. Derrick intentionally plans SEL into his lessons through the use of technology and thoughtful interactions which allow him to build meaningful relationships with his students. Follow him on Twitter @MrBiehlsPE

Kyle Bragg
