

Tom Morello - Can't Stop the Bleeding (feat. Gary  
Clark Jr. & Gramatik)

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

**[Verse 1]**

Fill my lungs, it's hard to breathe  
Trouble found and trouble lost  
20 centuries of sleep  
Trouble paid and trouble bought

**[Pre-Chorus]**

Frayed like myth, every fool caught it  
Sound like this, every fool bought it

**[Chorus]**

Can't stop the bleeding, calling  
Can't stop the bleeding, oh

**[Verse 2]**

Fill my soul, it's hard to see  
Trouble found and trouble lost  
20 miles dark and deep

Trouble paid and trouble bought, uh

**[Pre-Chorus]**

Frayed like myth, every fool caught it

Sound like this, every fool bought it

**[Chorus]**

Oh, nah

Can't stop the bleeding, oh

Oh, nah, uh

Can't stop the bleeding, uh

Woo

**[Bridge]**

Calling

Oh, nah

No

Sound like this, woo

Uh, every fool bought it

**[Drop]**

Uh, can't stop the bleeding

Oh, woo

Uh, can't stop the bleeding

Oh, yeah

## **[Pre-Chorus]**

Frayed like myth, every fool caught it  
Sound like this, every fool bought it  
Frayed like myth, every fool caught it  
Sound like this, every fool bought it

## **[Drop]**

Can't stop the bleeding  
Woo

## **[Outro]**

Go, go, go, go  
Go, go, go, go  
Go, go, go, go  
Go, go, go, go  
Can't stop the bleeding  
Go, go, go, go  
Go, go, go, go  
Go, go  
Sound like this
