## [Refrain]

Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah

## [Verse 1: Anderson .Paak]

Darlin', I have to be moved from afar  
The truth is the only thing worth holdin' onto anymore  
(Anymore)  
Untie me, let me loose from the cord  
I'm so gone, so far, I deserve more (More, I deserve  
more)  
Yeah

## [Chorus: Anderson .Paak]

I'm beggin' you (I beg)  
I'm beggin' you, please, come home (Please)  
No one even begs anymore (Come home)

I'm beggin' you (I beg)  
I'm beggin' you, please, come home (Please)  
No one even begs anymore (Come home)

**[Refrain]**

Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah

**[Verse 2: Anderson .Paak]**

Who should I rest blame upon  
When all of the signs are brightly drawn  
And point back to your open arms? (Point back to  
your open arms)  
Back too soon, but I'm here for the last of support  
No longer bound by a broken heart (Bound by a  
broken heart)

**[Chorus: Anderson .Paak]**

I'm beggin' you (I beg)  
I'm beggin' you, please, come home (Please)  
No one even begs anymore (Come home)  
I'm beggin' you (I beg)  
I'm beggin' you, please, come home (Please)

No one even begs anymore (Come home)

**[Refrain]**

Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah

**[Bridge: Anderson .Paak]**

Somewhere in a plane over water  
My love, my love  
Home base, wifey turn it off before I touch down

**[Verse 3: André 3000]**

You're all I need, all of me on my knees  
Normally harmony, bumblebee, hummingbird  
I'm a nerd, study you  
What are you, WWF?  
We fightin', we might need counseling  
Possibly moreso me  
Sounds to me frowns'll be grounds to leave  
Hounds'll be lookin' for you before you drop a tear,  
apres diem  
Stop pretending that I ain't him  
I ain't them, dim sum dumpling

I remember when you start dyeing them silver hairs  
And start hiding from your age  
I ask, "Why? How come?"  
Amazin' how time can run away from us  
I'm no nun, you're no priest, but I promise, hun, you  
gon' see  
A phenomenon, come with me  
Like it's Ramadan, I don't eat  
Like it's Comic Con, I'm a **freak** for you (Yeah!)  
I'm begging now, pretty please with cherries on top  
Hairy wet twat  
Harriet Tub-man, I don't give up  
And if your gut tells you to strut, then strut  
Then I'll hail you a car, but what man won't beg?  
You know I'm nutmeg  
I will show up on a lil' moped  
With a lil' puppy, it'll be fluffy  
You will un-toughen, we can discuss it  
You know I'm sufferin', I do miss my friend  
I don't like my fin bent up, Tilikum, well, that's ill-  
informed  
Sweet stuff, Willa Wonk', we stuck, Billabong  
'Least at minumum we gon' get along  
Peace and inner calm, geez, it's been a long  
T-I-M-E, um, please, I'm feelin' dumb

Please, I'm feelin' dumb  
Please, I'm feelin' dumb

**[Refrain]**

Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah  
Ooh, ooh-ooh-ooh-ooh, ah-ah, ah-ah
