## **[Verse 1]**

I spend all my time  
Waiting all night for you  
What do you do?  
I'm tired of trying  
Gave up my life for you  
But now I'm through

## **[Chorus]**

I know  
There's no going back for me, baby  
You're nowhere I wanna be  
There's no going back for me, baby  
Maybe you'll know how I feel

## **[Post-Chorus]**

La la la, la la la, la la la, la la, la, la, la  
La, la, la, la, la (Yeah, baby, oh)  
La la la, la la la, la la la, la la, la, la, la

La, la, la, la, la (Yeah, baby, oh)

**[Verse 2]**

I spend all my days  
Thinking of things to say  
To keep you sane  
You playing your games  
It's working on my **brain**  
I'm feelin' strange

**[Chorus]**

I know  
There's no going back for me, baby  
You're nowhere I wanna be  
There's no going back for me, baby  
Maybe you'll know how I feel

**[Post-Chorus]**

La la la, la la la, la la la, la, la, la, la  
La, la, la, la, la (Yeah, baby, oh)  
La la la, la la la, la la la, la la, la, la, la  
La, la, la, la, la

**[Chorus]**

There's no going back for me, baby

You're nowhere I wanna be  
There's no going back for me, baby  
Maybe you'll know how I feel

**[Post-Chorus]**

La la la, la la la, la la la, la la, la, la, la  
La, la, la, la, la (Yeah, baby, oh)  
La la la, la la la, la la la, la la, la, la, la  
La, la, la, la, la
