

# Empire of the Sun - Walking on a Dream

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## **[Verse 1]**

Walking on a dream  
How can I explain?  
Talking to myself  
Will I see again?

## **[Pre-Chorus]**

We are always running for the thrill of it, thrill of it  
Always pushing up the hill, searching for the thrill of it  
On and on and on we are calling out, out again  
Never looking down, I'm just in awe in what's in front  
of me

## **[Chorus]**

Is it real now?  
Two people become one  
I can feel it  
Two people become one

## **[Verse 2]**

Thought I'd never see  
The love you found in me  
Now it's changing all the time  
Living in a rhythm where the minute's working over  
time

## **[Pre-Chorus]**

We are always running for the thrill of it, thrill of it  
Always pushing up the hill, searching for the thrill of it  
On and on and on we are calling out, out again  
Never looking down, I'm just in awe in what's in front  
of me

## **[Chorus]**

Is it real now?  
Two people become one  
I can feel it  
Two people become one  
Is it real now?  
Two people become one  
I can feel it  
Two people become one

## **[Bridge]**

Catch me, I'm falling down  
Catch me, I'm falling down

**[Verse 3]**

Don't stop, just keep going on  
I'm your shoulder, lean upon  
So come on, deliver from inside  
All we got is tonight, that is right till first light

**[Chorus]**

Is it real now?  
Two people become one  
I can feel it  
Two people become one  
Is it real now?  
Two people become one  
I can feel it  
Two people become one
