

Anderson .Paak - Winners Circle

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Intro: Sonny LoSpecchio & Calogera Anello]

You're only allowed three great women in your
lifetime

They come along like the great fighters, once every
ten years

Rocky Marciano, Sugar Ray Robinson, Joe Lewis

Sometimes you get 'em all at once

Me? I had my three when I was sixteen

That happens, what are you gonna do?

Maybe she's your first great one

Thanks a lot, Sonny

I think I'm gonna go for one

[Verse 1]

This is not some super conventional
Extra slick talk meant to convince you all

Master classes reduced to simple form

There's nothing formulaic about it

This, more that

Papa told you only open the door if he opens it first
for you

Mama, sit down, help me get through
Is this how you felt on the day you found it?

[Chorus]

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,
I'm cool, cool

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,
I'm cool

[Verse 2]

This is not some take you out for lunch
Wine and dine you and cha you on counter tops
Fill your mind with cotton candy hearts
What's the odds you stay a while?

This, more that

Get to know me, kiss me slowly, hard to focus
They just don't make 'em like this no more, whoa
But I think I've found it

[Chorus]

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,

I'm cool, cool

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,

I'm cool, cool

[Break]

Cha, cha-cha-cha

Bah-bah, bah-bah-bah-buh-bah

Bah-bah, bah-bah-bah-buh-bah

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, ooh

Bah-bah, bah-bah-bah-buh-bah

[Bridge]

Somebody go (Somebody go)

Somebody go (Somebody go)

Somebody go get me

I'm 'bout to go (I'm 'bout to go)

I'm 'bout to go (I'm 'bout to go)

I'm 'bout to go in deep

That's not what I thought it was
But it's more than I bargained for
Somebody go (Somebody go)
Somebody go get me sober

[Verse 3]

Yeah

They gon' have to come for me
Came out my comfort zone to be amidst your
company

Somethin' about the way you never gave it up to me
But let me know that I can get it any day of the week

If talk is cheap, well then, I'm broke

With both hands on the sweeper, cleanin' up dirty
secrets

Told you don't ever give me that **gushy**, but I didn't
mean it

Bring her home and I'ma bust it out the residence
When I get the **gushy**, I go dumb like the President

Yes, lawd, I'm way up, word to Sacagawea

If the **gushy** was a sneaker, it'd be moccasin trainer

If the **gushy** wasn't so sweet, I could save it for later

But every time I **fuck** with someone else, I wish you
was there

Kinda douche-y I know, how the **fuck** I get here

I got hoes, I got hoes, we don't need to go there
On my way out a zone, somebody gon' give me body
Pick my feet off the floor, boy, I think I'm fallin'

[Chorus]

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,
I'm cool, cool

Beh-doop-boop-cha-ta-pah-dey-dah-doo

Oh, oh, ooh

'Cause if I know I can get it, then I've already had it,
I'm cool, cool
