

## **VISTAGE LIFETIME ACHIEVEMENT AWARD & SPEAKER OF THE YEAR**

### **DR. EVE MECEDA**

Dr. Eve Mecedá has spent the past 25+ years helping organizations around the world significantly improve both individual and organizational performance.

Much of Dr. Mecedá's current work with clients focuses on the development of a growth mindset, unlocking the power of sustainable habit change, and mastering difficult conversations. She has also partnered with Fortune 500 and Global 1000 organizations on issues such as leadership development, performance management, employee engagement, and the attraction and retention of high-potential employees.

In the course of delivering more than 1,800 speaking engagements over the years, she has had the pleasure of working in eighteen countries on six continents ... or seven if you include a recent chat with penguins in Antarctica.

When she's not on the road working with clients, Dr. Mecedá lives and works in the beautiful areas surrounding Boulder, Colorado.
