

Mark & Trina Ramsey

F O U N D A T I O N

The Mark & Trina Ramsey Foundation does our best to ensure that we maintain compliance with the varying State Charity Registration Requirements & pay the required fees mandated by most states on an annual basis. Several states ALSO require specific disclosure statements related to solicitation, even if that solicitation is passive (via online donations via website or Facebook posts). To that end, below we're displaying the required disclosure statements, by state. If your state isn't listed, this does not mean MTRF is not registered there, as most state-required information is already contained within MTRF's website content. Prior to making your donation, please review any applicable statements below (organized alphabetically by state).

PLEASE ALSO NOTE: due to unusually high registration fees &/or related factors, MTRF regrets that - at this time - we are unable to accept donations from residents within Washington DC nor the states of CO, KS, NH, VA, MD & PA. This document will be updated as appropriate.
