

Led Zeppelin - Dazed and Confused

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Chorus]

Been dazed and confused for so long it's not true
Wanted a woman, never bargained for you
Lots of people talk and few of them know
Soul of a woman was created below, yeah

[Verse 1]

You hurt and abuse telling all of your lies
Run around sweet baby, Lord how they hypnotize
Sweet little baby, I don't know where you've been
Gonna love you baby, here I come again

[Extra Verse]

If you're going to San Francisco
Be sure to wear some flowers in your hair
If you're going to San Francisco
You're gonna meet a lot of gentle people there

[Verse 2]

Every day I work so hard bringing home my hard
earned pay

Try to love you baby, but you push me away
Don't know where you're going, only know just where
you've been

Sweet little baby, I want you again

[Guitar Solo]

[Chorus]

Been dazed and confused for so long it's not true

Wanted a woman, never bargained for you

Take it easy baby, let them say what they will

Did your **tongue** wag so much when I sent you the
bill?
