## [Instrumental Intro]

### [Verse 1]

Grim faced and forbidding, their faces closed tight

An angular mass of New Yorkers

Pacing in rhythm, race the oncoming night

They chase through the streets of Manhattan

**Head** first humanity, pause at a light

Then flow through the streets of the city

They seem oblivious to a soft spring rain

Like an English rain

So light, yet endless

From a leaden sky

The buildings are lost in their limitless rise

My feet catch the pulse and the purposeful stride

## [Chorus]

I feel the sense of possibilities  
I feel the wrench of hard realities  
The focus is sharp in the city

## **[Instrumental Break]**

### **[Verse 2]**

Wide angle watcher on life's ancient tales  
Steeped in the history of London  
Green and grey washes in a wispy white veil  
Mist in the streets of Westminster  
Wistful and weathered, the pride still prevails  
Alive in the streets of the city

Are they oblivious to this quality?

A quality  
Of light unique to  
Every city's streets

("Ello!"  
"Morning, guv.")

Pavements may teem with intense energy  
But the city is calm in this violent sea

**[Guitar Solo]**

**[Chorus]**

I feel the sense of possibilities  
I feel the wrench of hard realities  
The focus is sharp in the city
