

Rush - Tom Sawyer

[Intro]

A modern-day warrior
Mean, mean stride
Today's Tom Sawyer
Mean, mean pride

[Verse 1]

Though his mind is not for rent
Don't put him down as arrogant
His reserve a quiet defense
Riding out the day's events
The river

[Chorus]

What you say about his company
Is what you say about society
Catch the mist
Catch the myth
Catch the mystery

Catch the drift

[Bridge]

The world is, the world is
Love and life are deep
Maybe as his skies are wide
Today's Tom Sawyer, he gets **high** on you
And the space he invades, he gets by on you

[Instrumental]

[Verse 2]

No, his mind is not for rent
To any god or government
Always hopeful, yet discontent
He knows changes aren't permanent
But change is

[Chorus]

And what you say about his company
Is what you say about society
Catch the witness
Catch the wit
Catch the spirit
Catch the spit

[Refrain]

The world is, the world is
Love and life are deep
Maybe as his eyes are wide

[Outro]

Exit the warrior
Today's Tom Sawyer
He gets **high** on you
And the energy you trade
He gets right on to
The friction of the day
