Washi Card Workshop with Judi Bowes

CARD-MAKING WORKSHOP - Washi Paper "Quilting"

This card-making workshop is based on the traditional Japanese art of "kime-komi," where pieces of kimono fabric and cotton batting are used to create beautiful dolls, objects, or pictures. Small, shaped, puffy pillows form individual parts of the image. These shapes are then pieced together.

We will use various Japanese washi paper to create padded shapes and then arrange them on a card you can give or frame. The possibilities are endless!

All supplies will be provided. Bring your sharp pair of scissors, if you have them. Space is limited to 16 people. There is no fee for the workshop, but donations will be accepted to cover the cost of materials. The workshop will be led by Judi Bowes, a retired art teacher.
