Our Tennis Legends

Every year we welcome a fantastic line-up of legends, including some of the finest players to have ever graced a tennis court. We hand-pick our tennis legends to ensure that the tennis is fun, competitive, and provides fantastic entertainment for our guests.

Past players to appear include -

- **Henri Leconte** – Henri has been a regular at the event since its inception. One of the most popular players to have ever played the sport, Henri always brings his gallic charm and incredible skill to the court. During his illustrious career he was a Davis Cup winner, Grand Slam finalist and reached a career high ranking of No. 5 in the world
- **Mark Philippoussis** – A true "Aussie Legend". A Wimbledon favourite, reaching the final in 2002, Mark is also a two-time Davis Cup winner and a US Open finalist
- **Richard Krajicek** – Richard was Wimbledon champion in 1996, famously beating Pete Sampras on his way to the final. He also won 17 Tour Singles Titles and reached a world ranking of No. 4
- **Xavier Malisse** – A crowd favourite and one of only two Belgian players to ever reach the top 20 players. Xavier was a Wimbledon semi-finalist in 2002 and since retiring has played on the Champions Tour and coached a number of top ATP players
- **Miles Bugby** – Former British pro, since retiring from tennis Miles is now one of the most in-demand models in the UK
- **Wayne Ferreira** – Wayne enjoyed an illustrious career spanning over 15 years as a pro. The only player to have played competitively against both Bjorn Borg and Roger Federer. Reached a career high ranking of World No.6 in May 1995
- **Paul Haarhuis** – Probably the finest doubles player of all time, winning 6 Grand Slams and 54 other pro titles. Paul is a born entertainer a favourite here at Hazlewood Castle. He has been the Dutch Davis Cup captain since 2021
- **Mikael Pernfors** – Former French Open finalist and World No 10
- **Thomas Enqvist** – Thomas won 19 ATP titles and reached the Australian Open final in 1999
