FOLLOW US Asphalt Xtreme is a new version of Gameloft's Asphalt saga that puts you behind the wheel of various four-wheel-drive cars on absolutely brutal tracks. You can ride planes, jump over collapsed bridges, pyruod and more. The game includes more than 50 different vehicles, most of which belong to popular and infamous racing teams. Each car incorporates its own unique features and features that you can customize and improve as you progress in the game. Every time you win a race, you also earn money and cards. In addition to the incredible variety of cars Asphalt Xtreme offers, there is also an impressive variety of tracks that can remind you of those found in the legendary Motorstorm saga. You can drive through scenarios full of various dangers and, remember, the evidence itself can become your worst enemies. You can compete alone in various championships and individual game modes, but Asphalt Xtreme also includes a multiplayer mode where you can prove to everyone that you are the best racer in the world and reach the top of the online leaderboard. Asphalt Xtreme is an absolutely spectacular racing game. You can also set up control mode using configuration settings (there are four different) and choose the type of camera you want to use during the race. It is also worth noting that the visual elements are quite amazing. ON THE WAY. NO RULES! Break out of the usual and enter uncharted territory with asphalt Xtreme: Rally Racing! So forget everything you know about racing, because all you need here is your instincts, real skill and fearless pursuit of speed. Stunning graphics On top of all this, The Asphalt Xtreme APK has incredible 3D graphics – like other Games in the Asphalt series. Gameloft have done a great job in making this game look as realistic as possible, with everything from the brilliance to the car to the sand in the mud looking incredible. Tips for playing Asphalt Xtreme APK Whether you've played asphalt games in the past or not, this is a game with a difference. You want to pay attention to some of the best tips to help you win the game. Destroy everything, unlike the average racing game, one of the goals of Asphalt Xtreme APK is to destroy everything that is man-made that you come across on the map. This includes fences, barrels, blockades, gates and everything else, including other cars. The reason for this is that your nitro will recharge much faster if you destroy more material, meaning that you will have a much better chance of winning the race. Don't spend too much time on Bonus Mission bonuses in the game is not so important - getting three stars is more important. The bonuses will give you more metal parts that you can use to upgrade your cars, but that's it. Lose the race to try to collect these bonuses. Instead, just try to win. Rewards for Like many other racing games, Asphalt Xtreme rewards you for drifting. These rewards come in the form of recharging nitro, so make sure to pull a nice long drift off as often as you can.
