

# Myra Gill

Richmond

Level 3 Certificate in Early Childhood Education  
and Care

Current First Aid Certificate

Kia ora, my name is Myra and I provide a loving home-based childcare service in Richmond.

I have always loved spending time with children and easily form close mutually respectful relationships with them. I love children's natural curiosity and really enjoy being a part of, extending and celebrating their development, exploration, and learning and believe teaching should be a fun, engaging process.

I qualified as a Nanny in 2002 and have worked as a Nanny on and off since then as well as raising my own son. I have nannied children at all ages and stages and have also worked as a Teacher Aid in preschool settings.

I am an easy going, caring person with a genuine love for children. In addition to attending fortnightly Village Kids run activities I offer a mixture of outdoor, messy and creative play. I am excited to offer such a wonderful learning space and look forward to hearing from you to discuss your childcare needs.
