

# You are invited to exhibit at the Women Building Success Info Expo!

March 11, 2021 | 4:30 – 6:30 p.m.

Please join us in celebrating Women in Construction Week and assist in recruiting women to the trades!

**Who will attend:** Prospective tradeswomen into the union construction industry.

**Exhibitor Benefits:** Engage in an exclusive opportunity to recruit female candidates.

- Build a fully customized virtual booth
- Receive candidate applications and resumes
- Interact live through video and chat

## Event Schedule

**4:30 – 5:30:** Webcast: Panel, hosted by Apprenticeship Minnesota at the Department of Labor and Industry. Overview: The panel discussion will focus on women in registered apprenticeship in the building and construction trades. Attendees will learn about the earn-as-you-learn apprenticeship model and hear from women in registered apprenticeships in the building and construction trades. Representatives from Women Building Success and Building Strong Communities will also discuss their program initiatives which focus in increasing diversity within the building and construction trades.

**5:30 – 6:30:** Exhibitors staff booths: Guests visit Apprenticeship Programs in the Virtual Interactive Event Space

[Register by Friday, March 5.](#) Booth set-up begins March 8.  
Watch for an e-mail from your event hosts with more details.
