

LASER TAG FAQ'S

DOES LASER TAG HURT?

Laser tag is completely painless. The lasers emitted from the phasers are Class 1, the lowest grade, which cause no harm when used correctly and is similar to shining a torch at someone.

The laser tag vest will vibrate, make noises and the lights will flash, to register a hit.

WHAT EQUIPMENT IS PROVIDED?

Each player will be provided with a laser tag phaser and sensor vest.

HOW OLD DO YOU NEED TO BE TO PLAY?

Laser tag is suitable for everyone aged 6+. Players under the age of 18 must have a consent form signed by an adult or parent/guardian.

DO WE PLAY WITH STRANGERS?

Yes, there will be other people in your session if you do not book all 20 spaces. These players will be of mixed ages.

DO YOU HAVE LOCKERS?

We have lockers available in our reception area at a cost of £1.

DO YOU HAVE PARKING?

We have a small car park and there is plenty of free street parking around the venue.

IS THERE DISABLED ACCESS?

Our Missile Silo game zone can accommodate wheelchair users. If you need for us to make any special adaptations to our sessions, please get in touch with our team and we can advise how you can take part.

WHAT TIME SHOULD WE ARRIVE?

You should arrive 30 minutes before your session so you can get kitted up and have a safety briefing. This ensures you have the full amount of session-time to play!

CAN I BUY MORE AMMO?

Our session include unlimited ammo, so you will never need to purchase extra.

CAN I PAY ON THE DAY?

Bookings must be made and paid for in advance. If you would like to add players to your booking on the day then please call ahead and check there are spaces available.

WHAT SHOULD I WEAR?

We recommend loose clothing and trainers you don't mind getting dirty with good grip. We can supply coveralls to go over your clothing on request.

WHAT IS THE MAXIMUM GROUP SIZE?

We can currently accommodate 20 players per game zone, but we can take much larger groups and we run the games as tournaments.

IS THERE A VIEWING AREA?

No. Due to the enclosed nature of the two gaming arenas we are unable to offer a viewing area.

CAN I BRING MY OWN FOOD AND DRINK?

No. Drinks are available on site, and food can be arranged up to a week before your event.
