

PAINTBALL FAQ'S

DOES PAINTBALL HURT?

We won't lie to you, yes it can. You will be provided with a full face protection helmet, armoured gloves and coveralls. Padded vests are available on request and given to all players under 18. We do not recommend you wear lots of layers underneath your overalls, as this will cause you to overheat and cause your mask to steam up, limiting your visibility.

WHAT TIME SHOULD WE ARRIVE?

You should arrive 30 minutes before your session so you can get kitted up and have a safety briefing. This ensures you have the full amount of session-time to play!

HOW OLD DO I NEED TO BE TO PLAY?

Paintball is suitable for players aged 12+. Players under 18 must have a consent form signed by a parent or guardian. We offer Junior Paintball for those aged 8-12.

DO WE PLAY WITH STRANGERS?

Yes, you will be playing with others unless you book all 20 spaces. These players will be of mixed ages.

DO YOU HAVE LOCKERS?

We have lockers available in our reception area at a cost of £1.

DO YOU HAVE PARKING?

We have a small car park and there is plenty of free street parking around the venue.

CAN I BRING MY OWN FOOD AND DRINK?

No. Drinks are available on site, and food can be arranged up to a week before your event.

CAN I PAY ON THE DAY?

Bookings must be made and paid for in advance. If you would like to add players to your booking on the day then please call ahead and check there are spaces available.

CAN I BUY MORE AMMO?

If you have a heavy trigger finger, you can purchase additional rounds throughout your session at a cost of £10 per 100. Alternatively, for larger groups, you can buy a box of 2,000 rounds for £160.

WHAT SHOULD I WEAR?

We recommend loose clothing and trainers you don't mind getting dirty. We supply optional coveralls to go over your clothing.

WHAT IS THE MAXIMUM GROUP SIZE?

We can accommodate 20 players at once on each game zone but we can take much larger groups and we run the games as tournaments. Our usual capacity is 50 players.

IS THERE A VIEWING AREA?

No. Due to the enclosed nature of the two gaming arenas we are unable to offer a viewing area.

CAN I BRING MY OWN GUN?

Yes, provided that you are a UKPSF member and your marker will be chrono'd to 250 FPS, which is our site limit. You must also purchase our clear filled 0.68 calibre rounds.

CAN I BRING SMOKE GRENADES?

We do not permit the use of smoke grenades or flashbangs.
