Have you ever felt unhappy after a long scrolling session through your phone? You are not alone; studies show that the more screen time we have, the more miserable we become. Recently, the American Psychological Association published a study that published a study that really spread the psychological well-being of adolescents after 2012 - around a time when smartphone use was now truly ubiquitous. How to fix it? One way is to put your phone and tablet away, grab your favorite set of colored pencils, and get coloring! Believe it or not, coloring can be very therapeutic. And, best of all, immersing yourself in this soothing hobby is easier than you think. You don't need to go and buy a coloring book; There are a ton of free coloring sheets for adults that you can download for free. All you need is access to the printer. Whatever you're in the mood for, there's probably a coloring book for it. Whether it's exquisite floral arrangements, outdoor scenes, or inspirational words, you can find it on various sites. To download them, you just click on the image and it's ready to print. There is another advantage of downloadable coloring books; because theoretically you can print each page more than once, you can try the same composition in different shades. So what are you waiting for? Check out some of the best places for free adult coloring sheets. And if you're looking for a coloring book with a museum-inspired twist, #ColorOurCollections campaign invites you to fill collections of institutions from around the world. Looking for free coloring sheets for adults? Scroll down to see some of our favorite places to find them. Photo: Mariola Budek Art Fun: Thaneeya McArdle runs the Art Fun website, consisting of a number of printed coloring pages.
