FAMILY WINES

**Join us for a special Earth Day inspired experience at
Martian Ranch Vineyard**

Saturday April 25th 11 am to 2 pm

Spend a beautiful afternoon exploring the unique terroir and biodynamic farming practices that make **Martian Ranch & Vineyard** so special.

We will gather on the hilltop with sweeping views of the ranch as owner **Nan Helgeland** and winemakers **Bob & Louisa Lindquist** share insights into the philosophy, meaning and importance of biodynamic farming and how they shape our wines.

This intimate experience includes:

- A guided discussion on biodynamic practices.
- A retrospective tasting of wines from Verdad & Lindquist Family wines all sourced from Martian Ranch.
- A delicious lunch from Bob's Well bread in Los Alamos.

Martian Ranch & Vineyard

Located in Alisos Canyon AVA, Martian Ranch has its own unique mirco-climate, with warm days and very cool nights. This allows the fruit to achieve incredible concentration and balance. The soil, called 'moom dust' is well aerated and mainly comprised of shale-y clay loam - The vineyard is Demeter Certified biodynamic.

**Retrospective Tasting
