We sorted the clothes by age and size for adults and children.

From the Pastor:

Thank you for your continued prayers, encouragement, and support. I am very thankful to report that my health is good. I am doing very well, almost back to 100 percent, and moving forward with a very positive outlook.

One of my greatest encouragements during this time has been watching our church members step forward and serve in greater ways. While I was in the hospital and recovering, Benjamin faithfully helped with preaching. Others visited, encouraged, prayed, helped with outreach, prepared for VBS, cared for church members, worked around the church property, and served through our Gospel video ministry. It has been wonderful to see people discovering new ways to use their gifts and learning to serve with greater responsibility. A great deal of good has come from this season, and I am excited to see how the Lord continues to grow our church family.

I am taking better care of my health. I am exercising regularly, eating a much healthier diet, and have lost about about 22 pounds. I feel stronger each week and am very encouraged by the progress I am making.

Please continue to pray for my health and strength, and pray that the Lord will continue raising up people in our church who are willing to serve, grow, and take part in the work He has given us. Please also pray for our upcoming VBS with the Suffolk First Baptist Church team on October 6th-9th, our community outreach on October 10th, our Gospel video ministry, and for open hearts throughout Khon Kaen.

Thank you again for standing with us, praying for us, and supporting the work here. We are encouraged, we are moving forward, and we are trusting the Lord for many good things ahead.

Your servant in Christ,
Curt Mathis
