President's Message

Another month has gone by since my last message. Time is going by so fast it seems like I'm filling up my weekly pill box every day. I want to thank you for such a strong attendance at the last dinner meeting. 200 members came and we inducted a record number of new members. 16 to be exact. Unprecedented since I joined 40 years ago. It indicates to me that we must be doing something right. We are not perfect but your officers and board are working real hard to make the club a better place for you to enjoy socializing with your old friends and making new friends.

The Giannini production was a great success and I personally would like to thank Louise Della Maggiora and her Committee for the time and hard work they put into it. Also I am the type of guy that likes to participate and enjoy club activities so I attended POKER NIGHT in the restaurant and bar downstairs. I did not gamble, I am not a gambler, but a lot of the old club card players were in attendance. Also a lot of the younger members were there and the place was full of conversations and laughter. It was alive. I hope we can do more events to liven up the space that is usually closed in the evening. My wife and I also attended the club soccer game. These players we have are good. They are around 50 years old but they can play. I suggest next year you should make an attempt to support the team. It makes them play better if someone in the bleachers is cheering them on. We are also working on maintenance and focusing on perfecting the operation for you.

We want you to be proud club members. It is the best in California but we never want to stop making it better. We restarted fellowship night, you asked for it, and we delivered, and everyone that attended had a great time. Let's keep up the great work and as I end this message, I want to remind you of something. The club is only as good as the members.

Sempre avanti until next time. Stay healthy and as happy as you can.

CLUB NEWS

S.F. GIANTS OPENING NIGHT WATCH PARTY

What a night to remember on March 25th! Our bar and restaurant were buzzing as we hosted 50 members and guests to watch the Giants take on the Yankees on Opening Night at Oracle Park. With every TV tuned in, the energy throughout the club was absolutely electric from first pitch to final inning.

The excitement was so high, in fact, that most of us didn't even realize the Giants fell short that evening—we were too busy enjoying the incredible atmosphere, great company, and nonstop camaraderie!

A special shoutout to one of our newest members, Valentino brought his fantastic **Red Sauce Meatball Food Truck** to the event. Guests were treated to delicious, generously made sandwiches served in the back courtyard—an absolute hit that kept everyone coming back for more.

All in all, it was a wonderful turnout. The room was full, the courtyard was lively, and best of all, everyone left happy, full, and already looking forward to the next event.

Thank you to everyone who joined us and helped make Opening Night such a memorable success!

CLUB NEWS

Poker Night a Winning Hand for the Club

Our recent Poker Tournament was a terrific success and a great example of what makes our Club so special. We welcomed 23 members across three tables for an evening of friendly competition and camaraderie, from 4:00 to 9:30 PM.

Beyond the cards, the real win was the opportunity for members to form new friendships, and the restaurant and bar area were filled with energy and conversation throughout the night.

We're also proud to share that the event raised **\$450 for our Scholarship Foundation**, while also generating a profit for the Club—an outstanding outcome on all fronts.

Thank you to everyone who participated and helped make the evening such a success. We look forward to seeing even more of you at our next event!

PIASC Scholarship Foundation

PIASC Scholarship Foundation Report

Dear PIASC Members,

We would like your help to raise another \$10,000 before June 18, 2026. We hope to meet our goal of raising \$75,000 before our Scholarship Awards Luncheon to fully fund our 2026 scholarships budget. Our scholarships will be awarded to qualified Italian American high school graduates who are going on to a college, university, trade school, vocational school, or studying abroad in Italy.

Your past generosity has helped us award over \$150,000 in scholarships in just the last 2 years. These scholarships will help our Club to grow its membership with new younger Italian American members. The current average age of our membership is 71 years old. We need to get this number down to an average age of 50 for the long-term survival of our San Mateo Italian Club. We need to enroll a new group of young Italian members who will be actively participating in our Italian Club events when we are no longer able to do so.

Your PIASC Board of Directors have new Club events planned to create activities that will appeal to the younger members. You will see these new activities advertised in the next few months in our Pensogram. We need to do everything we can to attract new young members to join our great Italian Club so we can keep our Italian traditions and culture alive and well for our next generation of Italian Americans. Your tax-deductible donation to the Scholarship Foundation is an important way to honor your Italian heritage and help our young future Italian American students with a hand forward. They clearly appreciate us for the financial help we have given them, and they have promised to pay us back by joining our Club in the years to come.
