Label: We prefer that quilts have a label identifying the maker and/or quilter. Imagine your quilt as someone's heirloom someday! They will want to know its origins.

Donation Usage: We are fortunate that we receive so many generous quilt donations for our fundraising event. We know that you will want the guild to receive the maximum benefit from your lovely gift, so please trust that we will place your donated item in the best possible spot, whether that is the live auction, silent auction, or perhaps even in an opportunity basket if it's a smaller item. Thank you in advance for your graciousness regarding these (sometimes very difficult!) decisions.

Quilt Stories: To help our auctioneer on the event day, please feel free to add more information below about your quilt. Does it have a story? Is there something that you particularly love about it or that drove you to make it? Please feel free to use the space on the reverse of this form. Thanks in advance!
