Amalgam comics pdf download

Amalgam Comics - DC/Marvel English 44 Comics CBD 1.47 GB On two separate occasions - in April 1996 and June 1997 - Marvel and DC co-published issues under the imprint of Amalgam Comics. The questions were presented as if the imprint had existed for decades, with stories and editorial commentary referring to a fictional story stretching to the Golden Age of comics, including retcons and reboots. For example, they referred to the Secret Crisis of the Hour of Infinity (the unification of Marvel's Secret Wars, the DC Crisis on Infinite Lands, Marvel's Infinity Gauntlet, and the D.C. zero hour), which featured the famous cover of Crisis on Infinite Lands #7, but with a Super Soldier holding the body of his buddy instead of Superman holding a Supergirl. Several questions included fake letter-columns to provide the illusion of a background to stories, with fans of their hometown formed by combining the names of existing cities. The first Amalgam event occurred at the end of the marvel vs. DC crossover event in 1996. In this case, the Marvel and DC universes were shown, united in one, and as a result, the Amalgam comics were presented. The first twelve Amalgam titles were released the following week, delaying regular releases by both publishers for one week. Half of the comics in the event were published by Marvel and half by DC. A year later, the trick repeated, but without the crossover, providing context. Later, both publishers collected their releases in the collection of trade paperbacks. Between the two rounds of Amalgam Comics, two publishers released a second crossover, DC/Marvel: All Access. The third miniseries, Unlimited Access, followed the second round. Both crossovers featured additional Amalgam characters. I try my best to provide all the new comics released every week on a rented PRIVATE SERVER, as well as on high-speed file-hosting websites such as SIPPISHER, MEGA, MEDIAFIRE, etc. Only thanks to donations was it possible to pay the accounts of Servers, RDP and others. Please consider making a small donation. Any amount would be highly valued. Visit the link and follow the steps to donate: If any donor has any doubts, leave a comment on this post or email me on an email protected We warmly welcome you here on our home page of our website. As you probably already know, comics have become an integral part of pop culture in the last couple of years. The main audience may not seem to get enough Marvel movies and seems incredibly fed up with everything that the hell DC does with their cinematic universe. Movies don't matter to us, but it's important to keep in mind that they do a good job of getting people interested in comic book characters, storylines and all-time classics. We welcome both casual and hardcore comic book fans, it doesn't matter to us. If you're a real purist who reads obscure DC comics or a big fan of Alan Moore, we welcome you. If you just came here after watching some high-budget Marvel movie, we glad to see you too. Everything we really care about gives you the opportunity to download free comics, that's all. Yes, you've heard that right - free comics! With great power comes a lot of responsibility and we're sure you can handle not paying for online comics, right? No matter how you look at it, there's no moral dilemma here: your alignment goes to legitimate neutral, at best. If you need a little more convincing on whether you should download free comics, you may have to do it yourself. We have very important information for you! Because this little project was created by fans and for fans, we live by if it's free, it's for me a motto, and free comics are awesome. We don't expect you to start typing and selling these online comics, you can order comics elsewhere. We're all about reading stories, watching characters grow and change. That's the most fascinating thing about comics, for us. You can have a guy start as a nerd who will end up in total a bully. You can go from this to some disappointed gray morality hero. There's no limit to what writers can come up with this time, in this particular issue. Well, their creativity, noting. If you can also appreciate a good story told on several issues with tough continuity and mind-blowing plot twists, you'll love our selection of online comics. We work very hard to bring you all the most famous single-suites, incredible long stories of biblical proportions, hidden gems, all the time great and so on and so forth. You can literally find anything here, no matter how obscure or limited that thing was. So, strap yourself and be prepared to enjoy the greatest collection of internet downloadable comics. What makes our collection so awesome is the fact we stay on top of things, almost to the point of obsession. The latest problems, updates every day, you get the point. The sky is the limit when you are actually trying to be the best in the world on something. Don't forget the bookmark on this page so you never miss an unmissable update, it costs you nothing and it only takes a second, but it will make us happy. In fact, we'd be so happy that we'd probably end up downloading more free stuff for you to read and enjoy. Wikimedia list article Near the end of the DC vs. Marvel crossover event in 1996, Amalgam Comics released a series of one-shot comics combining characters from the Marvel Universe with characters from the DC Universe. The first 12 Amalgam titles were released in one week, temporarily replacing regular releases from both publishers. Half of the comics in the case were published by Marvel Comics and half by DC A year later, in 1997, the stunt was repeated, but without a crossover event as a backdrop. Later, both publishers collected their releases in the collection of trade paperbacks. All 24 single-shot shots happened between Marvel vs. DC #3 and DC vs. Marvel #4, the last two releases of the crossover event. In the 24 Amalgam Comics titles that have been printed, one-third of those printed included letter-columns by fictitious fans to give more background to the stories and help give hints of what might happen in the next issue. Native Cities of Fans was usually a merger of existing American cities. April 1996 - DC Comics Amazon #1 Amazon #1, written and drawn by John Byrne, showed Amazon, as did Princess Ororo Munro of Themisira. Amazon returned to another title in a 1997 Amalgam Comics run called J LX Unleashed #1. Assassins #1 Assassins #1, written by Dan Chichester and illustrated by Scott McDaniel, included two main characters, Katsai and the Terminator Dar. Despite their feud, they teamed up to take on The Big Issue and his gang. Dr. Strangefit #1 Dr. #1 was written by Ron Martz with works by Jose Luis Garcia-Lopez and Kevin Noplan. The issue presents the powerful sorcerer Dr. Strangefit. His comic also featured character access and highlights his adventures between the four issues of the DC miniseries vs. Marvel. This book was republished in DC's paperback against Marvel because of its involvement in the overall story. J LX #1 J LX #1 written by Gerard Jones and Mark Wade, with works by Howard Porter and John Dell. Members of the Avengers Court League (JLA), whose mutant forces by descent turn against their teammates and form their own team, J LX. They're leaving to find Atlantis. J LX returned to another title in 1997 for an Amalgam Comics run called J LX Unleashed #1. Legends of the Dark Claw #1 Legends of the Dark Claw #1 written by Larry Hama with works by Jim Balent and Ray McCarthy. Dark Claw also appeared in J LX #1 as a member of JLA, and returned to another title in a 1997 Amalgam Comics run called Dark Claw Adventures #1. Super-Soldier #1 Super-Soldier, cover of Super Soldier: War #1 Man (June 1997) Super-Soldier #1 was written by Mark Wade and illustrated by Dave Gibbons. An experimental infusion of alien DNA turns Clark Kent's man into a Super Soldier, a World War II hero. After being sent to arabiosis, it is reborn in our time. He fought against the Green Skull (a Lex Luthor), the End of the World robot Ultra Metallo and the terrorist organization HYDRA. The Super Soldier also appeared in J LX #1 as the leader of JLA, and returned to two other titles in 1997 by Amalgam Comics titled Super-Soldier: War Man #1 and J LX Unleashed #1 (the latter again as leader of JLA). April 1996 - Marvel Comics Bruce Wayne: Agent S.H.I.E.L.D. #1 Bruce Wayne: Agent S.H.I.E.L.D. #1 was written by Chuck Dixon with the art of Cary Nord and Mark Pennington. Character here back in another title in Amalgam Comics run under the name J LX Unleashed #1. Bullets and bracelets #1 bullets and #1 were written by John Ostender and illustrated by Gary Frank. Magneto and Magnetic Men #1 Magneto and Magnetic Men #1 written by Gerard Jones with the art of Jeff Matsuda and Art Tibert. The team featured here returned to another title in 1997's Amalgam Comics run called Magnetic People featuring Magneto #1. Speed Demon #1 Speed Demon #1 written by Howard Mackie and James Felder, with works by Salvador Larrrca and Al Milgrom. Spider-Boy #1 Spider-Boy #1 written by Carl Kesel with works by Mike Vio and Gary Martin. Spider-Boy, the titular character, is a clone whose gravitational forces allow him to mimic the spider's wall abilities. The character featured here is back in another title in a 1997 Amalgam Comics run called Spider-Boy Team-Up #1. Spider-Boy is a combination of Spider-Man clone characters (aka Ben Reilly) and Superboy. The X-Patrol #1 Team featured here returned to another title in the 1997 Amalgam Comics run titled Spectacular X-Patrol #1. June 1997 - DC Comics Bat-Thing #1 Bat-Thing #1 was written by Larry Hama with works by Rodolfo Damaggio and Bill Sienkiewicz. The Bat Thing attacked people on the streets of New Gotham City, and Detective Clark Bullock tried to protect his wife and daughter Bat-Thing from the monster. Dark Claw Adventures #1 Dark Claw Adventures #1 written by Ty Templeton and Rick Burchett. This animated series version of the Dark Claw comic strip used an artistic style that reflected Batman: The Animated Series and was similar to the Batman Adventure comic book. Lady Talia pursued the Dark Claw to avenge the murder of her father, Ra's A-pocalypse. Generation Hex #1 Hex #1 was written by Peter Milligan with the work of Adam Pollin. The comic featured a team of meta mutants (here known as malformations), Generation Hex, suffering prejudice and living looting in the Old West. Their leader, Jono Hex, helps them escape the Scissors, a trio of malform-hunting robots created by Marshal Trask, and takes revenge on his hometown of Humanity, who killed his family when he was a boy. J LX Unleashed #1 J LX Unleashed #1 written by Christopher Prist with works by Oscar Jimenez and Hanibal Rodriguez. This second exit from J LX sees them joined by Amazon, Hell's League of Injustice summons the dragon Fin Fan Flame to destroy all the meta mutants. The dragon decides to burn all of humanity, as, in his words, all humanity, after all, to some extent mutated. Avengers Court League and J LX team to defeat it. Lobo The Duck #1 Duck #1 written by Alan Grant with works by Val The Family and Ray Christing. The story revolves around the fearless, muscular, and psychotic anti-hero/bounty hunter Lobo Duck and Shapeshifting dogs Sidekick Impossible Dawg, who investigate the murders of several Amalgam Comics superheroes, including Dr. Strangefate, Super Soldier, Aqua Mariner, Dare Terminator, and Hawkhawk. Lobo agrees to find the killer only because the aforementioned characters paid him upfront. Lobo fights his way through the Golden Kidney Lady, Dr. Bongface, and various other supervillains before he realizes that the end of the world is about to begin and that only he can stop it. Some of the other supporting characters featured in Lobo The Duck #1 include The Ambush of the Lunatic, a bounty hunter who was eaten by Lobo after he angered him; Al-Alboush, owner of the underground eatery Al-Forbush; and Jonas Rep. Super Soldier: Man of War #1 Super Soldier: War Man #1 was written by Dave Gibbons and Mark Wade, with art by Dave Gibbons and Jimmy Palmiotti. This comic presented Super-Soldier (Clark Kent) in the style of the Golden Age of World War II comics. Clark Kent and Jimmy Olsen go to England to watch the mysterious cargo of stolen equipment, which the Nazis want. June 1997 - Marvel Comics Galactica: Interior works by Challengers of the Fantastic #1 (June 1997), works by Tom Grummett. The contenders for fantastic #1 of the fantastic #1 written by Carl Kesel with works by Tom Grumette and Al Wey. The team members were scientist Reed Prof Richards, S.H.I.E.L.D. agent Susan Ace Storm, her daredevil brother Johnny Red Storm, and wrestling Sen. Ben Rocky Grimm. Their enemies were Dr. Judgment Day and Galatiak. The exciting X-Patrol #1 The Exciting X-Patrol #1 written by Barbara Kesel with works by Brian Hitch and Paul Niti. The team fought brother Brood. This comic was dedicated to the memory of Mark Grunwald, who died a year earlier from a heart attack. Iron Lantern #1 Iron Lantern #1 written by Kurt Boussek with the work of Paul Smith. The comic is combining Marvel's stories iron man and DC Comics Silver Age Green Lantern. Inventor Hal Stark tests a flight simulator, when the car is mysteriously pulled to the crash site of an alien spaceship. Stark finds the corpse of his pilot, Green Lantern RomanN Sura, and the battery of the Green Lantern. His heart, injured when the simulator also crashed, Stark builds a combination of powered armor/life support systems out of battery, and dubs himself with an iron lantern. Stark encounters enemies such as Mandarin, H.E.C.T.O.R. (a highly developed creature fully focused on revenge), and Madame Sapphire, the latter of whom is secretly Stark's mistress Pepper Ferris. The Magnetic Men featuring Magneto #1 The Magnetic Men featuring Magneto #1 was written by Tom Meyer with works by Barry Kitson and Dan Panosyan. In addition to the title characters, this comic also features Mr. Mastermind and Members of the Evil Society represent various special metals from both universes. Members and related metals are: Kulltron - Adamantium Soniclwo - Vibranium Black Vulture - Nth Metal Deathborg - Promethium Vance Cosmic - Inertron Spider-Boy Team-Up #1 Spider-Boy Team-Up #1 was written by R. K. Stensel (a mixture of the names of Roger Stern and Karl Kesel) with the art of Laderan and Juan. In this comic book, Spider-Boy teams up with characters based on Marvel and DC comics set in the distant future and/or outer space, including the Legion of Galactic Guardians 2099. Thorion from New Asgods #1 Thorion from New Asgods #1 written by Keith Giffen and John Romita Jr. See also the crossover (fiction) Intercompany crossover Character List Amalgam Comics Links - Weiner, Robert G.
